Juliet Bardsley

Lit Up by My Brother's Best Friend Lana Piers, 2024-11-26 When the good girl falls... Sierra Over a decade ago, I aimed too high when I fell for my brother's best friend. So I settled for someone else. And then got dumped. And now I'm dangling from a fence waiting for my dream guy to rescue me. Yes, it's all connected. And yes, it all started with a stupid game of Never Have I Ever. And yes, I'm too old for that game. But then Hunter saves me, sweeps me off of my feet, and announces he's staying overnight to make sure I don't have a concussion. It'll be fine. I'm the good girl. Until he kisses me. Hunter I've always loved her. But I can't have her because she's got a boyfriend. Yup. She is completely off limits. But tell that to my heart. And other body parts. I've been aching for her for a decade. And in this small town it's hard not to run into my best friend's sister. Then she calls me one night because—get this—she's stuck in a fence. I'm there in a heartbeat, and I'll use any excuse to be near her. Now that she's in my arms, it's hard to let go. But when she tells me she's single? Oh man, all bets are off. I'm in, and I'm about to make the most of this one night with her. And that means showing her that even good girls can get a little dirty. Meet the hotties: Welcome to the irresistibly quaint town of Lit Creek where the men are hot and the love is big. Loyal and protective, these men fall hard and fast. This cozy little town has got the cinnamon rolls you need to make you sigh deeply in appreciation of some good buns. You know what I'm talking about! Jump in and meet your next book boyfriend in these short, sweet, and spicy reads. Instalove, romcom, no cheating, and (some might say) over the top HEAs guaranteed. Standalone steamy romance book.

Falling for my Brother's Best Friend Piper Rayne, 2019-02-20 Let's say you're an independent, self-sufficient woman who runs the family company and you find yourself falling for your little brother's best friend. Now, more than ever, you need to count all the reasons why you need to abandon falling. Abandon Falling #1 - He's a womanizer. Hasn't had a serious relationship a day in his life and changes women more often than he changes his sheets. Abandon Falling #2 - He's never serious. He cracks one-liners, mostly at your expense. Abandon Falling #3 - When things go wrong, he seems unfazed and always remains in control. It's so annoying. Abandon Falling #4 - He has tattoos. Lots of them. Everywhere. Not to mention, he owns a tattoo parlor. (Damn it! Why doesn't that sound like a bad thing anymore?) Abandon Falling #5 - There's a growing list of how different you two are. You can't get along for fifteen minutes—a lifetime together would land one of you in prison. Keep repeating those reasons and drown yourself in work. Pretend you don't notice his good qualities or how enticing he looks without a shirt, and do not, I repeat, do not agree to live with the man while your place is being repaired from flood damage. Trust me, even the strongest of us can only forego temptation for so long.

In Love with My Brother's Best Friend Sharon Cummin, 2017-09-10 I had just gotten home from spending a few days with two of best friends in Vegas. All I wanted was a little time to relax and rejuvenate before going to work the following day. I'd just set my bags down, closed my door, and fell onto my couch when my phone rang. I should have known it was my big brother. That was always a joke with him. We were twins, and he was minutes older than me. He'd been protecting and hovering over me my entire life. Of course he'd call to make sure I was home safe and in one piece. He was a thousand miles away, but it never felt like it. When he announced that he was getting married, I was surprised. They had only known each other for about a year. What he said next shocked me even more. They were getting married in two weeks, and he wanted me to be in the wedding. I hadn't been home for more than a moment in over ten years. He'd come to visit me plenty of times, and he'd even brought her with him. No matter what was happening, I'd always found a way out of going home. His wedding was the exception. My brother was getting married, and I needed to be there. There was only one problem. His name was Jackson, but I called him Jackie. He was my brother's best friend and the reason I'd been running for so long. Could I do it? Could I face him after all those years? I didn't have a choice. I knew I had to go, but I didn't have to do it alone. I talked one of my best friends into going with me. His name was Chris. I promised him a weekend of fun on the beach with all expenses paid. That all changed the moment I saw HIM. I did the only thing I could think of and hoped it wasn't going to blow up in my face.
