"I just love the world of Patrick Rothfuss." —Lin-Manuel Miranda OVER 1 MILLION COPIES SOLD! DAY ONE: THE NAME OF THE WIND My name is Kvothe. I have stolen princesses back from sleeping barrow kings. I burned down the town of Trebon. I have spent the night with Felurian and left with both my sanity and my life. I was expelled from the University at a younger age than most people are allowed in. I tread paths by moonlight that others fear to speak of during day. I have talked to Gods, loved women, and written songs that make the minstrels weep. You may have heard of me. So begins a tale unequaled in fantasy literature—the story of a hero told in his own voice. It is a tale of sorrow, a tale of survival, a tale of one man's search for meaning in his universe, and how that search, and the indomitable will that drove it, gave birth to a legend.

The Wise Man's Fear Patrick Rothfuss, 2011 Kvothe continues on his quest to reclaim the honor of his family in the Fae realm and learn the truth about the death of his parents and Amyr, the Chandrian.

Formerly a student at the University, now Auri spends her days tending the world around her. She has learned that some mysteries are best left settled and safe. The Adventures of the Princess and Mr. Whiffle Patrick Rothfuss, 2010 This is not a book for children. It looks like a children's book. It has pictures. It has a saccharine-sweet title. The main characters are a little girl and her teddy bear. But all of that is just protective coloration. The truth is, this is a book for adults with a dark sense of humor and an appreciation of old-school faerie tales. There are three separate endings to the book. Depending on where you stop, you are left with an entirely different story. One ending is sweet, another is horrible. The last one is the true ending, the one with teeth in it. The Adventures of the Princess and Mr. Whiffle is a dark twist on the classic children's picture-book. I think of it as Calvin and Hobbes meets Coraline, with some Edward Gorey mixed in. Simply said: This is not a book for children.

Speculative Poetry and the Modern Alliterative Revival Dennis Wilson Wise, 2023-12-08 If a literary movement arises but no one notices, is it still a movement? In *Speculative Poetry and the Modern Alliterative Revival: A Critical Anthology*, Dennis Wilson Wise argues that the answer is "yes." Over the last ten decades, poets working in fantasy, science fiction, and horror have collectively brought forth a revival in alliterative poetics akin to what once happened in the mid-fourteenth century. Altogether, this anthology collects for the first time over fifty speculative poets—several of whom are previously unpublished—from across North America and Europe. Alongside such established names as C. S. Lewis, Patrick Rothfuss, Edwin Morgan, Poul Anderson, Jo Walton, P. K. Page, and W. H. Auden, this anthology includes representative texts from cultural movements such as contemporary neo-Paganism and the Society for Creative Anachronism. A lengthy critical

introduction by the editor—written accessibly for a general audience—explains and contextualizes the Modern Revival for critics and readers alike, and extensive footnotes offer aids to anyone new to medieval history or Norse mythology. Overall, this indispensable anthology—the first major academic book to focus on speculative poetry—establishes where the medieval meets the modern in the hitherto unrecognized Modern Alliterative Revival.

Schools of Magic Megan H. Suttie, 2023-02-15 What happens when the classroom and the fantastic meet? When lessons cover spells and potions alongside science and language arts? Through fantastic school stories--fiction involving the intersection of fantasy and school--the cycle of lessons, homework, exams, and graduation becomes new again, inviting us to consider what schools are teaching, who can be a student, and how knowledge is developed. Introducing a new framework for analyzing texts in the fantastic school story subgenre, this book examines texts including the Harry Potter series, Lev Grossman's *Magicians* trilogy, Terry Pratchett's *Discworld*, and Patrick Rothfuss's *Kingkiller Chronicle*, along with works by Jane Yolen, Nnedi Okorafor, and Tracy Deonn. This holistic framework combines the methods of fantasy literature scholarship, the focus of school story analyses, and an awareness of hidden lessons taught alongside official subjects, allowing for nuanced examinations of topics such as standardized testing, apprenticeships, and access to education.

Patrick Rothfuss: The Name of the Wind Martina Hajdinjak, 2015 The following dissertation deals with the translation analysis of neological terms found in the fantasy novel, *The Name of the Wind*, by Patrick Rothfuss, in relation to the Slovenian translation made by Sergej Hvala. In accordance with Newmark's theory of translation criticism, thirty-two terms and expressions have been selected. Since all terms are neological and the languages concerned are English and Slovenian, the translation process is expected to be easier when formation of new compounds is required, but more challenging in cases of single-word counterparts which should semantically correspond to the original term. The analysis proves that Slovenian is a flexible language, able to form and accept new coinages; however, the Slavic origin of the language, which seldom offers straight-forward solutions with complete semantic agreement, makes the translation procedure more difficult. The translator follows Newmark's rule of translating SL neologism with a TL neologism, and solves translation problems in an innovative way, only rarely applying the method of transference. The translation is very rich in terms of wordplay and thus enhances the reading experience.
