Notes from the Underground Donald Cozzens, 2013 In this, his most prophetic and personal book, Father Donald Cozzens calls attention to a vast 'underground' church whose heart is beating for change and renewal. This church is 'a pilgrim people who believe that the Holy Spirit is loose in the world and whose rumours of wisdom might be found in any of God's people as well as in their ordained leaders.'

Prayers to saint Joseph Bianca Bianchi, 2019-01-05 Saint Joseph is a powerful intercessor with God because he is both the father of Jesus and the spouse of the Madonna. As St Teresa of Avila said, Jesus does not deny anything to those who pray to St Joseph, because as on earth he was subjected to him because he was his father, so even in Heaven he refuses nothing to what Saint Joseph asks of him. Let us imitate St. Theresa of Avila, and as we ask for intercession with the God of St. Joseph, let us pray with belief and devotion. In this book you will find some original prayers to St. Joseph, which were composed by author.

Speaking in Tongues: A Critical Historical Examination Philip E. Blosser, Charles A. Sullivan, 2022-09-16 In three carefully researched volumes, this ground-breaking study examines the gift of tongues through 2,000 years of church history. Starting in the present and working back in time, these volumes consider (1) the modern redefinition of tongues as a private prayer language; (2) the church's perennial understanding of tongues as ordinary human languages; and (3) the Corinthian tongues, which, in light of Jewish liturgical tradition, turn out to have been a foreign liturgical language (Hebrew or Aramaic) requiring bilingual interpreters. In the first volume, the authors establish that modern glossolalia, far from being a supernatural gift enjoyed by certain believers since the time of Pentecost and undergoing a resurgence in modern times, has no precedent in church life prior to the nineteenth century. They discuss why German theologians, responding to the Irvingite revival, coined the term glossolalia in the 1830s; why Pentecostals between 1906-8 quietly began redefining tongues to mean a heavenly language unintelligible to human beings but pleasing to God, instead of foreign languages useful for evangelism; why Protestant cessationists believed miraculous tongues had ceased; and why interpolated idioms like unknown tongues in Protestant Bibles were aimed originally at Rome's use of Latin.
