Quaid-e-Azam Jinnah Muhammad Anwar,1970

Quotes from the Quaid Mahomed Ali Jinnah,2007 This handy booklet offers a compilation of quotations culled from the life's work of the founder of Pakistan, Mohammad Ali Jinnah. These inspiring quotes are eminently purposive spelling out Jinnah's vision of Pakistan in his own words. This is a book that should be read by every Pakistani, and by all others who seek to understand the vision behind Pakistan. Although Jinnah spoke on a multitude of issues in the course of his long and illustrious career, this compilation includes his words and thoughts on areas relevant to contemporary Pakistan and provides guidance to Pakistanis in various essential areas of public and private life.

**The Future of Liberal Democracy** R. Ramazani,2004-11-22 Top scholars and practitioners from a variety of ideological perspectives consider liberal democracy and the Jeffersonian legacy, both in relation to key issues in the practice and theory of rights (human rights, individual rights) and in relation to key themes in political thought such as citizenship and participation that remain at the forefront of our debates about public life today. The first section of this collection provides historical and theoretical perspectives on Jefferson's ideals and thought. The second section explores the key themes of sovereignty, citizenship, participation, and accountability. A concluding section analyzes the relevance and place of Jefferson's legacy and the fate of liberal democracy in today's world. Contributors offer varying perspectives on questions such as: Is what is good for America good for the rest of the world? What are the constraints that exist on the global spread of democracy, liberal or otherwise?

*Explaining Pakistan's Foreign Policy* Aparna Pande,2011-03-16 Pakistan has over the decades become a hotbed for the terrorist ideology often referred to as Jihadism. This book investigates the underlying principles of Pakistan's foreign policy from 1947 until the present day, and explains the rise of Jihadism as an offshoot of Pakistan's security concerns. The book goes on to discuss that from its inception as a separate state, Pakistan's foreign policy focused on 'seeking parity' with India

and 'escaping' from an Indian South Asian identity. The desire to achieve parity with its much larger neighbour led Pakistan to seek the assistance and support of allies. The author analyses the relationship Pakistan has with Afghanistan, United States, China and the Muslim world, and looks at how these relationships are based on the desire that military, economic and diplomatic aid from these countries would bolster Pakistan's meagre resources in countering Indian economic and military strength. The book presents an interesting contribution to South Asian Studies, as well as studies on International Relations and Foreign Policy.

**Quranulhuda ,1977**

*Magnificent Delusions* Husain Haqqani,2013-11-05 The relationship between America and Pakistan is based on mutual incomprehension and always has been. Pakistan—to American eyes—has gone from being a quirky irrelevance, to a stabilizing friend, to an essential military ally, to a seedbed of terror. America—to Pakistani eyes—has been a guarantee of security, a coldly distant scold, an enthusiastic military enabler, and is now a threat to national security and a source of humiliation. The countries are not merely at odds. Each believes it can play the other—with sometimes absurd, sometimes tragic, results. The conventional narrative about the war in Afghanistan, for instance, has revolved around the Soviet invasion in 1979. But President Jimmy Carter signed the first authorization to help the Pakistani-backed mujahedeen covertly on July 3—almost six months before the Soviets invaded. Americans were told, and like to believe, that what followed was Charlie Wilson's war of Afghani liberation, with which they remain embroiled to this day. It was not. It was General Zia-ul-Haq's vicious regional power play. Husain Haqqani has a unique insight into Pakistan, his homeland, and America, where he was ambassador and is now a professor at Boston University. His life has mapped the relationship of the two countries and he has found himself often close to the heart of it, sometimes in very confrontational circumstances, and this has allowed him to write the story of a misbegotten diplomatic love affair, here memorably laid bare.

*Peace Journey* Julius Salik,2018-05-31 He disconnects the electricity to his residence and brings in camels to share his living space. He burns his belongings. He treks thousands of kilometers. He observes silence for days on. He wears coarse cotton. He talks for hours on peace. He does it all for a cause. And for Salik, every action has a reason and an effect. Give him a syringe, and he will draw out his own blood, splash it on the soil, and pay obeisance to the earth that molded him. Julius Salik has done it. Nobel Peace Prize nominee and former federal minister of Pakistan, Julius Salik shares his life story and mission of world peace in *Peace Journey*.
