Rainer Maria Rilke Selected Quotes by Rainer Maria Rilke now at your fingertips Perfect for casual reading, taking ideas, inspiration Makes for a unique gift choice -- Again and again in history some people wake up. They have no ground in the crowd and move to broader deeper laws. They carry strange customs with them and demand room for bold and audacious action. The future speaks ruthlessly through them. Quotes by Rainer Maria Rilke Lilith Regan,2020-03-20 Everything is blooming most recklessly; if it were voices instead of colors, there would be an unbelievable shrieking into the heart of the night.Love consists in this, that two solitudes protect and touch and greet each other.Let life happen to you. Believe me: life is in the right, always.The only journey is the one within.I hold this to be the highest task for a bond between two people: that each protects the solitude of the other.The purpose of life is to be defeated by greater and greater things.I want to be with those who know secret things or else alone.Perhaps everything terrible is in its deepest being something helpless that wants help from us.Make your ego porous. Will is of little importance, complaining is nothing, fame is nothing. Openness, patience, receptivity, solitude is everything.The future enters into us, in order to transform itself in us, long before it happens.

Letters to a Young Poet Rainer Maria Rilke, 2019-04-17 Born in Prague when it was part of the Austro-Hungarian empire and recognized today as a master of verse, poet Rainer Maria Rilke was considerably less well known in 1902 when he received a heartfelt letter from an aspiring poet. A 19-year-old student sent Rilke some of his verses, seeking an opinion of their worth. Rilke declined to offer a critique, instead encouraging the student to rely upon his own inner judgment: Nobody can advise and help you, nobody. There is only one single means. Go inside yourself. This seemingly dismissive letter proved to be the first of ten, written during a six-year period that coincided with an important stage in Rilke's artistic development. The poet offered his young correspondent further advice on developing a rich inner life as well as guidance on broader philosophical and existential issues. These letters, which explore many of the themes that later emerged in Rilke's best works, remain a captivating source of insights into the artistic identity and process.

Winds of Homecoming Christopher Goodchild, 2021-11-26 'It is rare for me to support a book that I feel confident is truly worth a reader's attention and re-reading. It is beautifully crafted and full of a heart's intelligence. Clearly it comes from years of experience and deep reflection. It will take you to a healing place in yourself and inspire you to live with all your talents and limitations.' Thomas Moore, author of *Care of the Soul* Written in the true spirit of the wounded healer, *The Winds of Homecoming* draws from and is enriched by the poetry and writings of Rainer Maria Rilke. These fifty short meditative reflections offer you hope and inspiration to embrace your loss and loneliness, transforming what is limiting and restrictive into something freeing and infinitely expansive. Through his writing, Christopher Goodchild walks alongside us, not in his role as spiritual guide, but as a fellow-traveller, writing from a deeply human place of vulnerability. He does not just tell us how to sit in the contemplative fire and be transformed, he shows us. He shows us by the life he has lived, and continues to live. Christopher's latest book, written with his characteristic lyricism and tender-hearted, compassionate observations on the human condition, is enhanced by four evocative woodcuts by Kent Ambler. Allow the Winds of Homecoming to guide you home.

The Grail Rider Inaiya Ray, 2017-01-09 The Grail Rider is a spiritual memoir born from a life-altering Shamanic Journey

inspired by the overlighting wisdom of the Christos Sophia. Throughout the ceremony, the blue fire of Divinity consumed all falsities of Self, infusing Inaiya with an all embracing love that suspended her in Grace. While she lay motionless on the forest floor, Inaiya communes with her Family of Light and is downloaded with a vivid, multi-dimensional transmission that illuminates the seeding of Universal Christ Consciousness, encoded to blossom within her and the hearts of all beings at this unprecedented epoch in time. Inaiya is shown how life on Earth would be brought back into balance through each being undergoing the inner alchemy of the Divine Marriage. Inaiya, along with humanity, was at a vital crossroads, where her destiny called her irresistibly forth to embark upon an initiatory journey and follow a chain of synchronicities that would unveil the true nature of the Beloved. You are invited to venture along with Inaiya through the mythic Grail lines of Glastonbury, the French Pyrenees, Mediterranean Coast, Italy and Greece as she traces and re-discovers the richly encoded wisdom and timeless transmissions of the Divine Masculine and Divine Feminine as they rise, newly empowered to usher in an awakened New Earth unified in Oneness, sovereignty and resounding beauty. The Grail Rider is not only a holographic travel adventure woven with cosmic codes of light, it is an eternal love story and quest of the Soul, that magically unveils an alchemical treasure map that is altogether paradigm shifting. Steeped in humility, humour, and the transparent quandaries of a modern day Priestess, The Grail Rider is an offering of love, here to awaken and inspire all those who are called to return to the heart of the wild Divine.

The World of Zen Nancy Wilson Ross, 1960 The first comprehensive anthology of writings of Zen that presents both Eastern and Western sources. Illustrated.

Letters of Rainer Maria Rilke, 1892-1910 Rainer Maria Rilke, 1969-02-17 This representative selection from Rilke's large and extraordinary correspondence provides a kind of spiritual autobiography of the poet. The period here covered reflects all the great experiences of Rilke's early adult life: his difficult beginnings, his relationships with Lou Andreas-Salome and with his wife Clara, his two journeys to Russia, his contact with the Worpswede artists, the influence of Paris, the revelation of Cezanne. Many of the letters are psychologically revealing; many touch upon characteristic themes, or freshly transcribe experience that sooner or later passes into the poetry.
