Kate Shayler

Long Way Down Michael Sears, 2016-02-02 Working as a financial investigator after two years in federal prison, Jason Stafford looks into a biofuel engineer's claims about being set up by dangerous adversaries.

A Long Way Down Edward Kendrick, 2020-02-01 A Ghostly Investigations story Homeless, Daw has managed to survive on the streets. That is, until a killer throws him off the rooftop where he has crashed for the night and he becomes a ghost. Luckily Brody Ellis, also a ghost, finds him moments later, and takes him home to meet the rest of the “Ghostie Boys,” who have chosen to remain in this world. Because Daw doesn’t know who killed him, the six ghosts put their heads together to find his murderer so he can move on. In the process, they run into Russ, a young acquaintance of Daw's, who is another of the killer's victims, and bring him home with them. Will the ghosts, with some help from their human friends Mike and Sage, be able to stop the killer before he strikes again? More to the point, because of the growing attraction between Daw and Russ, will they want to move on, thus separating them for eternity, if the ghosts can prove who the man was who murdered them?

Long Way Down Jason Reynolds, 2017-10-24 As Will, fifteen, sets out to avenge his brother Shawn's fatal shooting, seven ghosts who knew Shawn board the elevator and reveal truths Will needs to know.

The Long Way Home John Demont, 2017-10-03 The province's premier journalist tells the story he was born to write. No journalist has travelled the back roads, hidden vales and fog-soaked coves of Nova Scotia as widely as John DeMont. No writer has spent as much time considering its peculiar warp and weft of humanity, geography and history. *The Long Way Home* is the summation of DeMont's years of travel, research and thought. It tells the story of what is, from the European view of things, the oldest part of Canada. Before Confederation it was also the richest, but now Nova Scotia is among the poorest. Its defining myths and stories are mostly about loss and sheer determination. Equal parts narrative, memoir and meditation, *The Long Way Home* chronicles with enthralling clarity a complex and multi-dimensional story: the overwhelming of the first peoples and the arrival of a mélange of pioneers who carved out pockets of the wilderness; the random acts and unexplained mysteries; the shameful achievements and noble failures; the rapture and misery; the twists of destiny and the cold-heartedness of fate. This is the biography of a place that has been hardened by history. A place full of reminders of how great a province it has been and how great—with the right circumstances and a little luck—it could be again.

Long Way Down Jason Reynolds, 2020-10-13 A Time Best YA Book of All Time (2021) Jason Reynolds's Newbery Honor, Printz Honor, and Coretta Scott King Honor-winning, #1 New York Times bestselling novel *Long Way Down* is now a gripping, galvanizing graphic novel, with haunting artwork by Danica Novgorodoff. Will's older brother, Shawn, has been shot. Dead. Will feels a sadness so great, he can't explain it. But in his neighborhood, there are THE RULES: No. 1: Crying. Don't. No matter what. No. 2: Snitching Don't. No matter what. No. 3: Revenge Do. No matter what. But bullets miss. You can get the wrong guy. And there's always someone else who knows to follow the rules...

The Long Way Home Kate Shayler, 2001 Australia's own Frank McCourt! Sally Loane, ABC Radio This is an important story that has long been neglected. We are familiar with stories of the stolen generation and the British child migrants, but there is a third group about whom very little has been written- their white Australian contemporaries who as a result of

family breakdown, court orders or abandonment were institutionalised as children. Kate Shayler (pseudonym) grew up a 'homes kid' in the fifties and sixties. Her memoir is more than just an account of her experience as an institutionalised white kid- it's a heartbreaking story of what happens to a child in the absence of emotional support and affection. Far from being a litany of despair, Kate manages to weave into her journey of self-discovery a sense of community, camaraderie, and humour of a childhood of sorts - a 'family' that she was forced to create for herself. *The Long Way Home- The Story of a Homes Kid* will strike a chord with anyone who has ever suffered discrimination, insecurity or the pain of separation from family. It's a timely and profound reminder that every child deserves to be cherished and valued.
