

Somewhere That We Know

United States. Congress

Brick and Clay Record ,1914

The Unwelcome Warlock Lawrence Watt-Evans,2012-01-12 The Calling. Sooner or later, it claimed every powerful warlock . . . a growing magical compulsion to go north to the mysterious land of Aldagmor that nothing could stop. None ever returned. Hanner the Warlock knew his days were numbered. The Calling pulled at him ceaselessly now, and his ability to resist had begun to crumble. So he determined to find a place where the Calling couldn't reach him . . . another world, located through a magic tapestry. Every warlock knew that the farther he was from Aldagmor, the weaker the Calling was — and the weaker his magic was, as well, but that was only a secondary consideration. That weakening had given Hanner the idea to find, or make, a place so distant from Aldagmor that the Call couldn't reach it at all. Unfortunately, the Call took him anyway. And that's where his story really gets interesting. Because the Calling wasn't what everyone believed. And when the warlocks who had been Called over the decades suddenly woke up again at the object doing the calling — and found themselves without their powers — their world may never be the same!

Public Papers of the Presidents of the United States United States. President,1967 Containing the public messages, speeches, and statements of the President, 1956-1992.

No Place to Call Home JJ Bola,2018-06-05 A tale of love, loss, identity, and belonging, No Place to Call Home tells the story of a family who fled to the United Kingdom from their native Congo to escape the political violence under the dictator, Le MarÃ©chal. The young son Jean starts at a new school and struggles to fit in. An unlikely friendship gets him into a string of sticky situations, eventually leading to a suspension. At home, his parents pressure him to focus on school and get his act together, to behave more like his star-student little sister. As the family tries to integrate in and navigate modern British society while holding on to their roots and culture, they meet Tonton, a womanizer who loves alcohol and parties. Much to Jean's father's dismay, after losing his job, Tonton moves in with them. He introduces the family—via his church where colorful characters congregate—to a familiar community of fellow country-people, making them feel slightly less alone. The family begins to settle, but their current situation unravels and a threat to their future appears, while the fear of uncertainty remains.

Cobwebs Harriette Gertrude Hollister Watres,1886

The Dramatic Works of a New Author ... Individual American Sentiments Jesse Paxson Tillson, 1896

Field Hollers And Freedom Songs: The Anthology C. Sade Turnipseed, 2022 Taking place annually in “the most southern place on earth,” aka, the “Cotton Kingdom,” the Sweat Equity Investment in the Cotton Kingdom Symposium offers a platform to honor, celebrate, and recognize the legacy of the African Americans who labored in the cotton fields of the Mississippi Delta. The symposium intends to trigger discussions and provide a space where the histories and contributions of those Americans can be heard and learned from. Born in the antebellum south, the “soul of America” came to be through the tearful occupation of planting, chopping, picking and ginning cotton, where it was then brined within a system of enslavement, sharecropping and international trade that in so many ways provided America its “greatness.” Carefully compiled from works presented at the symposia, this anthology looks to expose the tortured “cotton-pickin’ spirit” embedded in America’s soul. A spirit that is rendered in song, chants, spoken word and field hollers, and revealed in this volume through the selected articles, lyric poetry, proverbs, speeches, slave narratives and workshop proposals. The rich and varied content of this book reflects the uniqueness of not only the Mississippi Delta but also the histories of those who lived and worked there.

Congressional Record United States. Congress, 1989 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

The Institution Quarterly, 1921

Devil and the Deep Blue Fish Amy Lane, 2025-06-03 PI Jackson Rivers and Henry Worrall have gotten used to throwing themselves into danger as a team, so when Henry is hurt badly one night defending a friend and her teenage ward, it's all hands on deck for Jackson, his fiancé Ellery Cramer, their firm, and their friends. Henry is battling for his life. The least they can do is hunt down Henry's shooter and keep the intended victims safe. Knowing Jackson will dedicate himself to tracking down a very dangerous assailant with no regard to his own safety, Ellery makes one stipulation: Jackson needs a temporary partner. Jackson finds a good one in someone from the firm's past, but while Jackson's figuring out a new rhythm on zero sleep and a lot of desperation, Ellery and their friends are putting together a puzzle with a lot more pieces than Henry's random shooting. Somebody in their city is preying on teenagers in a most insidious way, and nobody in their circle is going to let this stand. Jackson has spent a year and a half trying to heal from physical and emotional wounds, and this case is going to make him look at every choice he's made to survive. Ellery—and Ellery's mother—will do anything to help him, but does Jackson finally have emotional defenses to fight his own demons while he's slaying dragons for the family he's found, or will he drown in his own remorse? Sometimes, when you're a kid on the streets, living past tomorrow means choosing

between the Devil and the Deep Blue Fish.
