**When Supernatural Battles Became Commonplace: Volume 1** Kota Nozomi, 2022-02-14 Andou Jurai is a second-year highschooler with the mind of an eighth-grade edgelord. His self-indulgent fantasies and over the top antics make him a constant pain in the neck for his friends in the literary club...until, that is, they all suddenly awaken to spectacular supernatural powers! Their godlike abilities include stopping time, manipulating the elements, creating matter from nothing, subverting the very laws of reality, and...producing black fire that doesn't burn. (Some superpowers are more godlike than others.) Andou's read enough comics to know what comes next: it's only a matter of time before they'll be dragged into life-or-death battles with the fate of the world itself at stake! The world, however, disagrees. There are no villains, no battles, no earth-shattering disasters—nothing whatsoever. Half a year later, the literary club finds themselves confronting a new question: what do you do with supernatural powers when your day to day life is as commonplace as ever?

**Gangster Godfather** Beatrice Baldwin, 2024-04-30 After finally turning the tide and solving the gang problem left behind by my father, I was finally able to wash my hands of my problems and open a coffee shop that I had long wanted to open. But I definitely can't do it alone, so I started recruiting people. After several interviews, I selected the members. The red-haired young man named O'Neill looks like a very artistic young man and is calm, which fits the style of a coffee shop; The young

man in a wheelchair named Barry has rich experience in financial management and can be a treasurer. It happens that there are disabled people in the store who can apply for tax avoidance; The man named Tommy with naturally curly silver hair...well, I didn't want to recruit him at first, but he pulled my leg and cried loudly, saying that he still had a couple of children waiting to be fed at home, and it was not easy for a single father. Forget it, let's just admit him. \* At first, everyone was in peace, until later everyone's vests fell off and their true colors were revealed. I was shocked - Co-author: Are all of us washing our hands in a golden basin? ! My store should not be called Poirot Cafe, but a retirement sanctuary! There was nothing I could do now. I could only pull a few people over for a meeting in private and told them: Anro will come to work soon. We all have to pretend that nothing happened and don't scare him. We finally managed to recruit a meeting The clerk who makes coffee, if he quits, we will sell curry rice or Uji Gintoki rice bowl that even pigs don't eat. We must not lose him!
