You Are Not Alone John Isky,2014-11-13 You Are Not Alone is a reflection of a stream of feelings and thoughts that all of us experience in life. These feelings and thoughts are those we experience when we go through failed and successful relationships, when we lose loved ones, when money is tight, when we sympathise with victims of drugs or violence or a natural disaster, when we think about mother nature, when we think about politics during election time, when we suffer the actions of evil people, and when we worry about our family affairs. You Are Not Alone provides the words we need to lift our spirits up when we feel down or lonely; words to calm us down when we are frustrated or angry; words that give us hope when life gets tough; firm words to wake us up when we slip to the wrong way in life. I hope that you enjoy the book and always remember that you are not alone.
