Select Charters and Other Illustrations of English Constitutional History from the Earliest Times to the Reign of Edward the First William Stubbs, 1870

Miguel Pro Marisol López-Menéndez, 2016-05-20 Miguel Pro: Martyrdom and Politics in Twentieth-Century Mexico examines the complex relationship of modern martyrdom as preserved by memory and factual truth, and as retold through stories intended to impel political and religious aims. Martyr narratives depend on institutional affiliation to remain in the public memory, and are altered in order to maintain their ability to mobilize followers within changing social and political contexts. In order to examine the evolution of lasting martyr narratives, López-Menéndez scrutinizes the various renditions of the 1927 execution of Miguel Pro, a Jesuit priest caught in the bloody conflict between Catholics and the post-revolutionary

state.

Select Charters and Other Illustrations of English Constitutional History William Stubbs,1888

The Yorkshire Archaeological Journal ,1893 A review of history, antiquities and topography in the county.
