## Nick Redfern

A New Order of the Ages Collin Robert q Bowling, 2011-08-01 Evil has been discharged hither and thither, and as a result a war is being waged between the Light and the Dark. Powerful occult reptilian bloodlines have commandeered the corporate-mass-media and the military-industrial complex, the everyman no longer a free entity. Why these torturing gifts, and wherefore lent to the people? No reason except for the desire to dominate and suppress. It is an inkling the beasts of prey within man and reptile cannot control. Secret societies are the gatekeepers to a much greater secret that encompasses extraterrestrials and cultures spanning across dimensions. The labyrinth has already been entered - next stop, a closer inspection at money and the big business of Big Brother. Are there more cards up the magicians sleeve? Only one, and that is the possibility for enlightenment.

**The Pyramids and the Pentagon** Nick Redfern, 2025-09-12 The Pyramids and the Pentagon is a detailed study of how and why government agencies have, for decades, taken a clandestine and profound interest in numerous archeological, historical, and religious puzzles. Focusing primarily upon the classified work of the U.S. Government, The Pyramids and the Pentagon invites you to take a wild ride into the fog-shrouded past. It's a ride that incorporates highlights such as: The CIA's top-secret files on Noah's Ark U.S. Army documents positing that the Egyptian Pyramids were constructed via levitation Disturbing military encounters with Middle Eastern djinns Claims of nuclear warfare in ancient India Links between the Face on Mars and the pharaohs And many more Nick Redfern's The Pyramids and the Pentagon clearly and provocatively demonstrates that deep and dark conspiracies exist within the shadowy world of officialdom—conspiracies that have the ability to rock the foundations of civilization, religion, and history to their very core. The strange and amazing secrets of the past are just a heavily guarded government vault away.
