

Into The Silent Land

Vicky L. Adams

Into the Silent Land Martin Laird, 2006-07-01 Sitting in stillness, the practice of meditation, and the cultivation of awareness are commonly thought to be the preserves of Hindus and Buddhists. Martin Laird shows that the Christian tradition of contemplation has its own refined teachings on using a prayer word to focus the mind, working with the breath to cultivate stillness, and the practice of inner vigilance or awareness. But this book is not a mere historical survey of these teachings. In *Into the Silent Land*, we see the ancient wisdom of both the Christian East and West brought sharply to bear on the modern-day longing for radical openness to God in the depths of the heart. Laird's book is not like the many presentations for beginners. While useful for those just starting out, this book serves especially as a guide for those who desire to journey yet deeper into the silence of God. The heart of the book focuses on negotiating key moments of struggle on the contemplative path, when the whirlwind of distractions or the brick wall of boredom makes it difficult to continue. Laird shows that these inner struggles, even wounds, that any person of prayer must face, are like riddles, trying to draw out of us our own inner silence. Ultimately Laird shows how the wounds we loathe become vehicles of the healing silence we seek, beyond technique and achievement. Throughout the language is fresh, direct, and focused on real-life examples of people whose lives are incomparably enriched by the practice of contemplation.

Into the Silent Land: A Guide to the Christian Practice of Contemplation Martin Laird, 2006-06-07 Sitting in stillness, the practice of meditation, and the cultivation of awareness are commonly thought to be the preserves of Hindus and Buddhists. Martin Laird shows that the Christian tradition of contemplation has its own refined teachings on using a prayer word to focus the mind, working with the breath to cultivate stillness, and the practice of inner vigilance or awareness. But this book is not a mere historical survey of these teachings. In *Into the Silent Land*, we see the ancient wisdom of both the Christian East and West brought sharply to bear on the modern-day longing for radical openness to God in the depths of the heart. Laird's book is not like the many presentations for beginners. While useful for those just starting out, this book serves especially as a guide for those who desire to journey yet deeper into the silence of God. The heart of the book focuses on negotiating key moments of struggle on the contemplative path, when the whirlwind of distractions or the brick wall of boredom makes it difficult to continue. Laird shows that these inner struggles, even wounds, that any person of prayer must face, are like riddles, trying to draw out of us our own inner silence. Ultimately Laird shows how the wounds we loathe

become vehicles of the healing silence we seek, beyond technique and achievement. Throughout the language is fresh, direct, and focused on real-life examples of people whose lives are incomparably enriched by the practice of contemplation.

INTO THE SILENT LAND. STEVE. DANYEW,2018

Into the Silent Land Martin S. Laird,2009

Into the Silent Land Vicky L. Adams,1995

An ^AOcean of Light Martin Laird,2018-11-07 In the third of Martin Laird's best-selling books on Christian contemplative life, Laird considers the deepening dynamics of contemplation for those who have settled into a maturing practice of meditation. Drawing on the works of writers ranging from St. Augustine and St. Teresa of Avila to Flannery O'Connor and David Foster Wallace, Laird grounds his methodology in both ancient practice and contemporary language. With characteristic lyricism and gentleness, he guides readers through new challenges of contemplative life, such as the danger of using a spiritual practice as a strategy for personal gain; making ourselves the focus of our own contemplative project; dealing with old pain; and transforming the isolation of loneliness and depression into a place of liberating solidarity with all who suffer.
