British Museum

Old Testament Theology Preuss, Horst Dietrich Preuss, 1995-01-01 In this work, a part of the Old Testament Library series, Horst Preuss provides a comprehensive analysis of the theology of the Old Testament. He focuses on a detailed assessment of Israel's responses to God's acts of election and covenant with them as a people. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.

Psalm 91 and Demonic Menace Gerrit C. Vreugdenhil, 2020-07-13 In Psalm 91 and Demonic Menace Gerrit Vreugdenhil offers a thorough analysis of the text, structure and genre of Psalm 91. Already in its earliest interpretations, Psalm 91 has been associated with the demonic realm. The use of this psalm on ancient amulets and in magic texts calls for an explanation. Examining the psalms images of threat from a cognitive science perspective, Vreugdenhil shows that many of these terms carry associations with sorcery and magic, incantations and curses, diseases and demonic threat. The psalm takes demonic threat seriously, but also draws attention to the protection offered by JHWH. Finally, the author proposes an outline of the situational context in which Psalm 91 might have functioned.

Exodus 1-18: A Critical and Exegetical Commentary Graham I. Davies, 2020-01-23 This volume continues from Graham I. Davies commentary on Exodus 1-10 and takes the reader up to the end of Exodus chapter 18, covering the release of the Israelites from Egypt and the crossing of the Red Sea. Davies brings together all the relevant aids to exegesis - linguistic, textual, archaeological, historical, literary, and theological - to help the reader understand the texts at hand. In addition to the parting of the waters and the defeat of Pharaoh's army the chapters commented upon also include the so-called 'Song of the Sea' in Exodus 15, a complex hymn that Davies studies in depth, and the provision of manna in the desert. The textual issues are varied and Davies navigates them deftly, providing close commentary and profound insights into these well-known texts. Two results of Davies's research are to place the old hypothesis of an Elohist source on a much stronger footing and to reaffirm that both it and the J source extended through both Genesis and Exodus.

God in Context Karel van der Toorn, 2018-11-13 In this work, Karel van der Toorn explores the social setting, the intellectual milieu, and the historical context of the beliefs and practices reflected in the Hebrew Bible. While fully recognizing the unique character of early Israelite religion, the author challenges the notion of its incomparability. Beliefs

are anchored in culture. Rituals have societal significance. God has a history. By shifting the focus to the context, the essays gathered here yield a deeper understanding of Israelite religion and the origins of the Bible.

The Rhetoric of Remembrance Jerry Hwang, 2012-05-09 To whom is Moses speaking in Deuteronomy? This question is controversial in OT scholarship. Some passages in Deuteronomy indicate that Moses is addressing the first exodus generation that witnessed Horeb (Deut 5:3-4), while other passages point to the second exodus generation that survived the wilderness (Deut 1:35; 2:14-16). Redaction critics such as Thomas Römer and John Van Seters view the chronological problems in Deuteronomy as evidence of multiple tradition layers. Although other scholars have suggested that Deuteronomy's conflation of chronology is a rhetorical move to unify Israel's generations, no analysis has thus far explored in detail how the blending of "you" and the "fathers" functions as a rhetorical device. However, a rhetorical approach to the "fathers" is especially appropriate in light of three features of Deuteronomy. First, a rhetorical approach recognizes that the repetitiveness of the Deuteronomistic style is a homiletical strategy designed to inculcate the audience with memory. The book is shot through with exhortations for Israel to remember the past. Second, a rhetorical approach recognizes that collective memory entails the transformation of the past through actualization for the present. Third, a rhetorical approach to Deuteronomy accords well with the book's self-presentation as "the words that Moses spoke" (1:1). The book of Deuteronomy assumes a canonical posture by embedding the means of its own oral and written propagation, thereby ensuring that the voice of Moses speaking in the book of Deuteronomy resounds in Israel's ears as a perpetually authoritative speech-act. The Rhetoric of Remembrance demonstrates that Deuteronomy depicts the corporate solidarity of Israel in the land promised to the "fathers" (part 1), under the sovereignty of the same "God of the fathers" across the nation's history (part 2), as governed by a timeless covenant of the "fathers" between YHWH and his people (part 3). In the narrative world of Deuteronomy, the "fathers" begin as the patriarchs, while frequently scrolling forward in time to include every generation that has received YHWH's promises but nonetheless continues to await their fulfillment. Hwang's study is an insightful, innovative approach that addresses crucial aspects of the Deuteronomistic style with a view to the theological effect of that style. Jerry Hwang (Ph.D., Wheaton College) serves as Assistant Professor of Old Testament at Singapore Bible College.

Old Testament Theology Horst Dietrich Preuss, 1995 Preuss presents a comprehensive analysis of the theology of the Old Testament. Utilizing the most recent scholarship available, Preuss proposes that the central and unifying theme of Old Testament theology is God's act of election and covenant and the subsequent human responses to God.

The Elusive Presence Samuel Terrien, 2000-03-09 A study of the presence of God throughout biblical history.
