**Ek Tarfa** , EK - TARFA (One - sided love) is not just a book. It is all about the mixed feeling of both pleasure and pain, a one - sided lover goes through. Love which is too ideal to exist in this real world. The feeling for someone who does not reciprocate your feelings. A person who experiences one-sided love has this hope deep inside his/her heart that one day that someone special will love him/her back. EK - TARFA is the journey of some small writers who have experienced this pure love. They have tried their best to make you feel connected with this beautiful form of love. A feeling which is beyond words. Hope, you will like it.

**The Rape of Eve** Celene Lillie,2017-01-01 Sex, violence, power, and redemption. In recent decades, scholars of New Testament and early Christian traditions have given new attention to the relationships between gender and imperial power in the Roman world. In this surprising work, Celene Lillie examines core passages from three Gnostic texts from Nag Hammadi, On the Origin of the World, The Reality of the Rulers, and the Secret Revelation of John, in which Eve is portrayed as having been humiliated by the cosmic powers, yet experiencing restoration. Lillie compares that pattern with Gnostic savior motifs concerning Jesus and Seth, then sets it in the broader context of Roman cosmogonic myths at play in imperial ideology. The Nag Hammadi texts, she argues, offer us a window into symbolic forms of Christian resistance to imperial ideology. This groundbreaking study highlights the importance of the Nag Hammadi writings for our fuller appreciation of the currents of Christian response to the Roman Empire and the culture of rape pervasive within it.
