**Dr. Colbert's Spiritual Health Zone** Don Colbert, 2025-01-07 FROM NEW YORK TIMES BEST SELLING AUTHOR OF THE SEVEN PILLARS OF HEALTH Did you know that unhealthy emotions such as anger, shame, and stress can rob years from your life? In his latest release, best-selling author Don Colbert, MD, reveals the key to living in divine health—walking in the empowering, cleansing, strengthening love of God. While medical knowledge is incredibly valuable, Dr. Colbert argues that it alone can't lead people to a place of optimum health in their bodies, minds, and emotions. Only love—the eternal, nourishing root of all wellness—can do that. Using scientific evidence, anecdotal stories, proven theories, and biblical principles, Dr. Colbert explains why the best thing we can do to protect ourselves from disease and promote all aspects of health is to learn to walk in God's love. It can help us become disease-resistant, heal relationships, relieve many common maladies, and lengthen our lives. In Dr. Colbert's Spiritual Health Zone, you will discover: The main features of the Love Walk, as it is lived out practically in our behavior The biblical basis for making love the central motivation and characteristic of our lives Why a pessimistic outlook robs so many believers of their joy and peace—and how to become a faith-filled optimist by choice The key role forgiveness plays in turbo-charging our health You don't have to suffer the effects of fear, shame, hopelessness, and other toxic emotions. You can restore your body, mind, and spirit through gratitude, forgiveness, and other spiritual practices. Join Dr. Colbert on a journey of discovering the true source of life and wellness, learning to live in harmony, peace, and divine health.

Annual Report of the Superintendent of Insurance New York (State). Insurance Department, 1917

Spirit-empowered Christianity in the Twenty-first Century Vinson Synan, 2011 What does a re-vision of the Charismatic/Pentecostal Spirit-empowered movement look like in the coming years of this millennium? The first century of

this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive truths, but the perpetuators of them as well. If any generation ceases to accentuate this emphasis, the movement likely will forfeit the right to be recognized as such. When the Pentecostal message is preached, published, and proclaimed through triumphant song, an atmosphere is sustained for people to experience anew and again the reality of salvation, holiness, charismata, wholeness, and hope. Such a revival will be biblically based, rationally sound, traditionally accurate, and experientially real. Spirit-Empowered Christianity in the 21st Century is an authoritative compilation of the presentations from thirty leaders in the Charismatic/Pentecostal movement given at the Empowered 21 Conference in Tulsa, OK, in April 2010. These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic/Pentecostal movement in the 21st century. For example, one portion covers the topic of the 21st century renewal while another discusses how we can protect our Charismatic distinctive. Another portion will highlight Charismatic adaptations for reaching this present age, discussing issues of social and economic justice, prosperity and suffering, challenges to urban ministry, the future of the next generation, Oneness Pentecostalism, and missiological aims in North America.
