**Three Kings** Géraldine Elschner,2016-09-01 This beautiful classic Christmas story about the night of Jesus's birth makes a perfect holiday gift for boys and girls 3 - 7 years old. The visit of the Three Kings to the stable at Bethlehem is one of the most memorable of the Christmas stories. Filled with anticipation, and following an unknown star, the Magi begin the long quest to find the new-born king and to offer him gifts of gold, frankincense and myrrh. The thoughtful, gentle text will engage readers of all ages.

**The Journey of the Magi** Richard C. Trexler,1997 Although Matthew's Gospel reveals little about the three wealthy visitors said to have presented gifts to the infant Jesus, the author presents the influence of the Magi in Christian society, in the machinations of monarchs and heads of republics, in relations with native Americans, and in the play of present day street children.--Jacket.

The Journey of the Magi Hans Holzer, 2005-11 Who were the Three Kings and why were they traveling together? What was the star they followed? Where were they coming from? As a student of archeology and ancient history, with a Master's Degree in comparative religion besides a Ph.D., Hans Holzer is just the person to answer these questions. He also called on the exacting scholarship of the University of Chicago and The Interlinear Translation of the New Testament and his

knowledge of ancient numismatics, especially pertaining to the coins of the first century A.D. issued in Kabul and Petra. Pinpointing the real date of the birth of Jesus, Holzer concludes that the experience of the shepherds and of the Three Kings was separated by an interval of two years. He became convinced that the Journey of the Kings took a long time and that they came a long way. The Journey of the Magi takes you along on his quest to uncover and understand the evidence that reveals the journey of the Three Kings and the journey of humankind to follow the Light that will lead them out of darkness.
