

The Street Ann Petry

Hazel A. Ervin, Hilary Holladay

The Street Ann Petry, 2013-08-23 WITH A NEW INTRODUCTION FROM NEW YORK TIMES BEST-SELLING AUTHOR TAYARI JONES “How can a novel’s social criticism be so unflinching and clear, yet its plot moves like a house on fire? I am tempted to describe Petry as a magician for the many ways that *The Street* amazes, but this description cheapens her talent . . . Petry is a gifted artist.” — Tayari Jones, from the Introduction *The Street* follows the spirited Lutie Johnson, a newly single mother whose efforts to claim a share of the American Dream for herself and her young son meet frustration at every turn in 1940s Harlem. Opening a fresh perspective on the realities and challenges of black, female, working-class life, *The Street* became the first novel by an African American woman to sell more than a million copies.

The Street Ann Petry, 1974 A young woman struggles to retain her moral integrity and guard her small son from evil in Harlem.

Ann Petry: *The Street*, *The Narrows* (LOA #314) Ann Petry, 2019-02-26 In one volume, two landmark novels about the terrible power of race in America from one of the foremost African American writers of the past century. Ann Petry is increasingly recognized as one of the essential American novelists of the twentieth century. Now, she joins the Library of America series with this deluxe hardcover volume gathering her two greatest works. Published in 1946 to widespread critical and popular acclaim--it was the first novel by an African-American woman to sell over a million copies--*The Street* follows Lutie Johnson, a young, newly single mother, as she struggles to make a better life for her son, Bub. An intimate account of the aspirations and challenges of black, female, working-class life, much of it set on a single block in Harlem, the novel exposes structural inequalities in American society while telling a complex human story, as overpriced housing, lack of opportunity, sexual harassment, and racism conspire to limit Lutie's potential and to break her buoyant spirit. Less widely read than her blockbuster debut and still underappreciated, *The Narrows* (1953) is Petry's most ambitious and accomplished novel--a multi-layered, stylistically innovative exploration of themes of race, class, sexuality, gender, and power in postwar America. Centered around an adulterous interracial affair in a small Connecticut town between the young black scholar-athlete Link Williams and white, privileged munitions heiress Camilo Sheffield, it is also a fond, incisive community portrait,

full of unforgettable minor characters, unexpected humor, and a rich sense of history. Also included in the volume are three of Petry's previously uncollected essays related to the novels and a newly researched chronology of the author's life, prepared with the assistance of her daughter Elisabeth Petry. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

The Street American Classics Edition Ann Petry, 2026-05-05 One of The Atlantic's Great American Novels One of The Center for Fiction's 200 Books That Shaped 200 Years of Literature Petry is the writer we have been waiting for; hers are the stories we need to fully illuminate the questions of our moment, while also offering a page-turning good time. Ann Petry, the woman, had it all, and so does her insightful, prescient and unputdownable prose.--Tayari Jones, New York Times Book Review In celebration of the 250th anniversary of the United States, HarperCollins is proud to present this library of American classics drawn from our storied catalog. The Street, originally published in 1946 and hailed by critics as a masterwork, is the first novel by a Black woman to sell more than a million copies, and is a haunting story that still resonates today. The Street tells the poignant, often heartbreaking story of Lutie Johnson, a young Black woman, and her spirited struggle to raise her son amid the violence, poverty, and racial dissonance of Harlem in the late 1940s. Lutie is confronted by racism, sexism, and classism on a daily basis in her pursuit of the American dream for herself and her son, Bub. Lutie fully subscribes to the belief that if she follows the adages of Benjamin Franklin by working hard and saving wisely, she will be able to achieve the dream of being financially independent. With an Introduction from New York Times best-selling author Tayari Jones.

An Analysis of "The Street" by Ann Petry Sirinya Pakditawan, 2014-11-18 Seminar paper from the year 2006 in the subject American Studies - Literature, grade: 1,5, , language: English, abstract: Ann Petry, a female Afro-American novelist, published her novel The Street in 1946. The setting of this novel is Harlem in the 1940s. The story deals with the life and trials of the Mulatto woman Lutie Johnson and her struggle to find a place in this environment for herself and her son. Hence, The Street is also concerned with different aspects of urban life. Thus, one might also claim that Petry's novel is about portraying the difficulties a single coloured woman and mother had in Harlem, living on 116th Street in New York City. Apart from being an urban novel, Petry also captured the symbolic character of Harlem in The Street, namely that it is a "(...) symbol of the Negro's perpetual alienation in the land of his birth". Hence, this novel also touches upon the topic of disillusionment in city life. In the following analysis, we will primarily deal with the last chapters of the novel and in particular with the end of the novel, which shows Lutie Johnson leaving Harlem and moving to Chicago. On the one hand, we

will be concerned with the reasons and motifs why Lutie is disillusioned and finally leaves Harlem. On the other hand, we will deal with the implications and possibilities that Lutie's movement to Chicago brings with it.

The Radical Fiction of Ann Petry Keith Clark, 2013-06-03 In his in-depth analysis of the works of Ann Petry (1908--1997), Keith Clark moves beyond assessments of Petry as a major mid-twentieth-century African American author and the sole female member of the Wright School of Social Protest. He focuses on her innovative approaches to gender performance, sexuality, and literary technique. Engaging a variety of disciplinary frameworks, including gothic criticism, masculinity and gender studies, queer theory, and psychoanalytic theory, Clark offers fresh readings of Petry's three novels and collection of short stories. He explores, for example, Petry's use of terror in *The Street*, where both blacks and whites appear physically and psychically monstrous. He identifies the use of dark comedy and the macabre in the stories *The Bones of Louella Brown* and *The Witness*. Petry's overlooked second novel, *Country Place* -- set in a deceptively serene Connecticut hamlet -- camouflages a world as nightmarish as the Harlem of her previous work. While confirming the black feminist dimensions of Petry's writing, Clark also assesses the writer's representations of an array of black and white masculine behaviors -- some socially sanctioned, others taboo -- in her unheralded masterpiece *The Narrows* and her widely anthologized short story *Like a Winding Sheet*. Expansive in scope, *The Radical Fiction of Ann Petry* analyzes Petry's unique concerns and agile techniques, situating her among more celebrated male contemporary writers.

The Narrows Ann Petry, 2008 A small New England community, *The Narrows*, is struggling to right itself after decades of abandonment and racial strife - and Link Williams, a smart, black kid freshly graduated from university, just might be able to escape. Leaving *The Narrows* proves to be the easy part, as the love Link shares with Camilo Sheffield sets into motion the most unthinkable of acts and rocks their worlds in ways that neither of them could ever have imagined. Ann Petry evokes a bustling, vibrant community fighting against the complex racial dynamics of the 1950s.

Ann Petry Hilary Holladay, 1996 Offers a broad study of the life and writings of Ann Petry, the African-American fiction writer born in 1908. A biographical chapter places Petry in a cultural context, while critical chapters look at the prevalent themes in Petry's novels and stories the portrayal of communities, the dynamics of those communities and then proceeds with a book by book examination of her publications. Race, Racism and Violence in Ann Petry's 'the Witness' Jeannette Nedoma, 2009-05 Seminar paper from the year 2008 in the subject English - Literature, Works, grade: 2,0, course: African American Women Writers, language: English, abstract: To introduce my term paper Race and Violence in Ann Petry's *The Witness* I want to start with the definitions of the three terms race, racism and violence mentioned in the title. Regarding to the expressions I want to say something about the U.S. history, and about the current situation in the United States of America, with reference to the African American people. The Oxford Advanced Learner's Dictionary explains race as follows: one of the main groups that humans can be divided into according to their physical differences, for example the colour of their skin; a group of people who share the same language, history, culture, etc. Racism means the unfair treatment of people who belong to a different race; violent behaviour towards them; the belief that some races of people are better than others The history of racism in the United States of America goes back to 17th century and should have come to an end with the American Civil War (1861-1865) and the abolition of slavery (1865). Unfortunately, the abolition of slavery was not the end of the African American martyrdom. It was the beginning of prejudices, discrimination, violence and struggle. When we think of racism against African American people, we think of a long and torturous way African Americans had to go and still go nowadays.

Miss Muriel and Other Stories Ann Petry, 2017-07-15 A young black girl watches as her aunt's multiple suitors disrupt her family's privacy. The same girl, now on the cusp of adulthood, shares her family's growing fears that her father has disappeared. Acclaimed author Ann Petry penned these and the other unforgettable narratives in *Miss Muriel and Other Stories* more than seventy years ago, yet in them contemporary readers recognize characters who exist today and dilemmas that recur again and again: the reluctance of African Americans to seek help from the police, the rage that erupts in a black man worn down by brutality, the tyranny that the young can visit on their elders regardless of race. Originally published between 1945 and 1971, Petry's stories capture the essence of African American experience since the 1940s.

Spiritual, Blues, and Jazz People in African American Fiction A. Yemisi Jimoh, 2002 In this book, A. Yemisi Jimoh demonstrates the critical influence of music on the fiction of various twentieth-century African American writers. Exploring novels and short stories by Toni Morrison, John Edgar Wideman, Zora Neale Hurston, James Baldwin, Ralph Ellison, and others, Jimoh shows how black musical traditions--specifically Spirituals, Blues, and Jazz--are used to shape characterizations and thematic content and to evince ideas, emotions, and experiences. The author's analysis situates the literary texts she discusses within the diverse social energies of their times and locates important intersections where music, history, politics, and literature meet. Jimoh carefully distinguishes among the different musical forms and shows how, in fiction, they are transformed into rich metaphors. She explains, for example, how characters and themes drawing on the Spiritual-Gospel tradition de-emphasize human agency, depicting earthly survival as a transitory state and heavenly triumph as a victory. By contrast, in Blues fiction, characters must often negotiate an environment of alienation, change, and uncertainty in order to

achieve a more earthly triumph, even if that triumph is only survival. Jazz fiction, meanwhile, goes beyond Blues and Spiritual expressions to explore new realms, revealing a space for infinite options, radical change, resistance, and revolution. This innovative book examines novels that have not previously received extensive attention, including Albert Murray's *Train Whistle Guitar*, Wallace Thurman's *The Blacker the Berry*, and Ann Petry's *The Street*. At the same time, it brings fresh and intriguing readings to such widely studied works as Ellison's *Invisible Man* and Morrison's *Sula*. Finally, it suggests some exciting directions for future study as new generations of African American musicians and writers continue to develop and expand on established traditions and forms. The Author: A. Yemisi Jimoh is an associate professor of English at the University of Arkansas, Fayetteville. Her articles have appeared in *African American Review*, *Contemporary African American Novelists*, and other publications.

The Sonic Color Line Jennifer Lynn Stoecker, 2016-11-15 The unheard history of how race and racism are constructed from sound and maintained through the listening ear. Race is a visual phenomenon, the ability to see “difference.” At least that is what conventional wisdom has led us to believe. Yet, *The Sonic Color Line* argues that American ideologies of white supremacy are just as dependent on what we hear—voices, musical taste, volume—as they are on skin color or hair texture. Reinforcing compelling new ideas about the relationship between race and sound with meticulous historical research, Jennifer Lynn Stoecker helps us to better understand how sound and listening not only register the racial politics of our world, but actively produce them. Through analysis of the historical traces of sounds of African American performers, Stoecker reveals a host of racialized aural representations operating at the level of the unseen—the sonic color line—and exposes the racialized listening practices she figures as “the listening ear.” Using an innovative multimedia archive spanning 100 years of American history (1845-1945) and several artistic genres—the slave narrative, opera, the novel, so-called “dialect stories,” folk and blues, early sound cinema, and radio drama—*The Sonic Color Line* explores how black thinkers conceived the cultural politics of listening at work during slavery, Reconstruction, and Jim Crow. By amplifying Harriet Jacobs, Frederick Douglass, Elizabeth Taylor Greenfield, Charles Chesnutt, The Fisk Jubilee Singers, Ann Petry, W.E.B. Du Bois, and Lena Horne as agents and theorists of sound, Stoecker provides a new perspective on key canonical works in African American literary history. In the process, she radically revises the established historiography of sound studies. *The Sonic Color Line* sounds out how Americans have created, heard, and resisted “race,” so that we may hear our contemporary world differently.

Country Place Ann Petry, 2019-04-15 Originally published in 1947, Ann Petry's classic *Country Place* depicts a predominantly white community disillusioned by the indignities and corruption of small-town life. Johnnie Roane returns from four years of military service in World War II to his wife, Glory. They had been married just a year when he left Lennox, Connecticut, where both their families live and work. In his taxi ride home, Johnnie receives foreboding hints that all has not

been well in his absence. Eager to mend his fraying marriage, Johnnie attempts to cajole Glory to recommit to their life together. But something sinister has taken place during the intervening years—an infidelity that has not gone unnoticed in the superficially placid New England town. Accompanied by a new foreword from Farah Jasmine Griffin on the enduring legacy of Petry's oeuvre, *Country Place* complicates and builds on the legacy of a literary celebrity and one of the foremost African American writers of her time.
