Summer on Sag Harbor Sunny Hostin,2023-05-02 INSTANT NEW YORK TIMES BESTSELLER The View cohost and three-time Emmy Award winner Sunny Hostin spirits readers away to the warm beaches of Sag Harbor in the second novel of her bestselling Summer series. Olivia Jones, hard-working and accomplished, has, against the odds, blazed an enviable career path in the finance world. But behind the veneer of her success, she is mourning several devastating losses and betrayals. Untethered from her life in New York City, Olivia moves to a summer home in The Hamptons. Here, Olivia finds a close-knit community of African American elites who escape New York City for the beautiful beaches of the Hamptons. Since the 1930s, very few have known about this Historically Black Beachfront Community, and the residents like it that way. That is, until real estate developers discover the hidden gem. And now, the residents must fight for the soul of this HBBC. As the summer stretches on, Olivia teams up with her new friends to protect their community and, in doing so, discovers who she really is. Though not without cost, Olivia's search for her authentic identity and her fight to preserve her new Black utopia, will lead her to redefine the meaning of love, friendship, community, and family—and restore her faith in herself and her chosen path.

Everything Changes Jonathan Tropper,2005-03-29 Jonathan Tropper's novel The Book of Joe dazzled critics and readers alike with its heartfelt blend of humor and pathos. Now Tropper brings all that-and more-to an irresistible new novel. In Everything Changes, Tropper delivers a touching, wickedly funny new tale about love, loss, and the perils of a well-planned life. EVERYTHING CHANGES To all appearances, Zachary King is a man with luck on his side. A steady, well-paying job, a rent-free Manhattan apartment, and Hope, his stunning, blue-blooded fiancée: smart, sexy, and completely out of his league.

But as the wedding day looms, Zack finds himself haunted by the memory of his best friend, Rael, killed in a car wreck two years earlier—and by his increasingly complicated feelings for Tamara, the beautiful widow Rael left behind. Then Norm-Zack's freewheeling, Viagra-popping father-resurfaces after a twenty-year absence, looking to make amends. Norm's overbearing, often outrageous efforts to reestablish ties with his sons infuriate Zack, and yet, despite twenty years of bad blood, he finds something compelling in his father's maniacal determination to transform his own life. Inspired by Norm, Zack boldly attempts to make some changes of his own, and the results are instantly calamitous. Soon fists are flying, his love life is a shambles, and his once carefully structured existence is spinning hopelessly out of control. Charged with intelligence and razor sharp wit, *Everything Changes* is at once hilarious, moving, sexy, and wise—a work of transcendent storytelling from an exciting new talent.
