**A Line in the Sand** Kevin Powers, 2023-05-16 In this “spellbinding and totally original thriller” (Philipp Meyer, author of *The Son*) a lonely veteran’s gruesome discovery throws him right into the face of danger as a twisted investigation unravels the secrets of his dark past. One early morning on a Norfolk beach in Virginia, a dead body is discovered by a man taking his daily swim—Arman Bajalan, formerly an interpreter in Iraq. After narrowly surviving an assassination attempt that killed his wife and child, Arman has been given lonely sanctuary in the US as a maintenance worker at the Sea Breeze Motel. Now, convinced that the body is connected to his past, he knows he is still not safe. Seasoned detective Catherine Wheel and her newly minted partner have little to go on beyond a bus ticket in the dead man’s pocket. It leads them to Sally Ewell, a local journalist as grief-stricken as Arman is by the Iraq War, who is investigating a corporation on the cusp of landing a multi-billion-dollar government defense contract. As victims mount around Arman, taking the team down wrong turns and towards startling evidence, they find themselves in a race, committed to unraveling the truth and keeping Arman alive—even if it costs them absolutely everything.

**Annotations to Finnegans Wake** Roland McHugh, 2016-02-24 The essential guide to Joyce's famously difficult book. Roland McHugh's classic Annotations to Finnegans Wake provides both novice readers and seasoned Joyceans with a wealth of information in an easy-to-use format uniquely suited to this densely layered text. Each page of the Annotations corresponds directly to a page of the standard Viking/Penguin edition of Finnegans Wake and contains line-by-line notes following the placement of the passages to which they refer, enabling readers to look directly from text to notes and back again, with no need to consult separate glossaries or other listings. McHugh's richly detailed annotations distill decades of scholarship, explicating foreign words, unusual English connotations and colloquial expressions, place names, historical events, song titles and quotations, parodies of other texts, and Joyce's diverse literary and popular sources. This thoroughly updated fourth edition draws heavily on Internet resources and keyword searches. For the first time, McHugh provides readers with a synopsis of the action of Finnegans Wake. He also expands his examination of possible textual corruption and adds hundreds of new glosses to help scholars, students, and general readers untangle the dense thicket of allusions that crowds every sentence of Joyce's nearly inscrutable masterpiece.
