**The Noticer** Andy Andrews, 2011-04-10 A New York Times bestseller! From the author of *The Traveler's Gift* comes a story of common wisdom based on the remarkable true story of "Jones," a mysterious old man who has a knack for showing up in people's lives at just the right time, providing priceless lessons about love, life, and the importance of perspective. Orange Beach, Alabama, is a simple town filled with simple people. But like all humans on the planet, the good folks of Orange Beach have their share of problems—marriages teetering on the brink of divorce, young adults giving up on life, businesspeople on the verge of bankruptcy, as well as the many other obstacles that life seems to dish out to the masses. These situations can seem like dead ends, but to an old drifter named Jones with a gift for seeing what others miss, there is no such thing as a dead end. It only takes a little "perspective," he says, to recognize the miracles in our moments, the seeds of greatness tucked into our struggles. Appearing when things look darkest, the mysterious, elderly man with white hair carrying a battered old suitcase shows up when he's needed most. "Your time on this earth is a gift to be used wisely," he says. "Don't squander your words or your thoughts. Consider even the simplest action you take, for your lives matter beyond measure...and they matter forever." *The Noticer* will provide you with: A better understanding of life's challenges and proper perspective for tackling them Practical yet powerful methods of motivation, encouragement, and resolve for those struggling A fresh and insightful perspective on how people can change their view of the world, find strength, and move beyond their problems Based on a remarkable true story, *The Noticer* beautifully blends fiction and allegory in an entertaining and inspiring instruction manual for better living. The story of Jones continues in *The Noticer Returns* and *Just Jones*.

*The Noticer Returns* Andy Andrews, 2013-10-08 From New York Times bestselling author Andy Andrews comes the sequel to *The Noticer*! In the quiet coastal town of Fairhope, Alabama, a mysterious old man named Jones has set up shop to do the

one thing he knows best—"noticing" the little things that make a big difference in people's lives. Perspective is a powerful thing. Through a chance encounter at a local bookstore, Andy Andrews is reunited with the man who changed everything for him— Jones, also known as "The Noticer." Jones uses his unique talent of noticing the little things that make a big difference. And these little things grant the people of Fairhope, Alabama, a life-changing gift—perspective. Through the lens of a parenting class at the Grand Hotel in Point Clear, Jones guides a seemingly random group to ask specific questions inspired by his curious advice: "You can't believe everything you think." The questions lead to answers for which people have been searching for centuries: How do we begin to change the culture in which we live? What is the key to creating a life of success and value? What if what we think is the end...is only the beginning? Along the way families are united and financial opportunities created, leaving the residents with powerfully simple solutions to the everyday problems we all face. What starts as a story of one person's everyday reality unfolds into the extraordinary principles available to anyone seeking to change their life. Jones' adventures continue in book three of The Noticer series: Just Jones.

While digging up a withering wax myrtle tree beside his waterfront home on the Gulf coast, author Andy Andrews unearths a rusted metal container filled with Nazi artifacts and begins an intriguing investigation that unlocks an unspoken past that took place in his backyard . . . literally. In 1942, as the country gears up for a full-scale commitment to WWII, German subs are dispatched to the Gulf of Mexico to sink U.S. vessels carrying goods and fuel. While taking a late-night walk, Helen Mason-widowed by war-discovers the near-lifeless body of a German sailor. Enraged at the site of Josef Landermann's uniform, Helen is prepared to leave him to die when an unusual phrase, faintly uttered, changes her mind. Set in a period simmering with anger and suspicion *The Heart Mender* offers the very real chronicle of a small town preparing itself for the worst the world has to offer. As cargo from torpedoed ships begins to wash up on the beach, Josef and Helen must reconcile their pasts to create a future. He contends that some of the great thinkers of the modern era got it all wrong, and that the Bible teaches that God intends for us to live in and through our emotions.
