The Greatest Urdu Stories Ever Told Muhammad Umar Memon, 2017 Selected and translated by writer, editor and translator par excellence Muhammad Umar Memon, the twenty-five stories in this book represent the finest short fiction in Urdu literature. In his Introduction, Memon traces the evolution of the Urdu short story from its origins in the work of writers like Munshi Premchand-'the first professional short story writer in Urdu'-through the emergence of the Progressives in the late 1930s, whose writings were unabashedly political and underpinned their Marxist ideologies, to the post-Independence 'Modernist' era, and today's generation of avant-garde, experimental writers of Urdu fiction. Every story in the anthology illustrates one or the other facet of the form in the Urdu literary tradition. But even more than for their formal technique and inventiveness, these stories have been included because of their power and impact on the reader. Death and poverty face off in Premchand's masterpiece

Locating Home Karen Isaksen Leonard, 2007 This multisite ethnography examines the construction of personal and group identity in the diaspora by emigrants from Hyderabad, India, settling in Pakistan, the UK, Canada, the US, Australia, and the Gulf states of the Middle East at the end of the 20th century.

Mirza Ghalib, 2005 This book has the unique distinction of presenting, in one compendious volume, the best of Ghalib in poetry and prose. It contains 104 ghazals, seven miscellaneous poems, and a bouquet of sixty-eight selected letters, besides a few striking couplets and qitas. The ghazals and poems are first given in the original form in calligraphic Urdu. This is followed, on the opposite page, by their English translation, couched in a language that is simple, lucid and rhythmical. The ghazals and poems have also been provided with a transliterated version in the Roman script. This should enable the non-Urdu-knowing reader to have a feel and flavour of the Urdu text. In addition, the book contains a critical-cum-biographical introduction which is comprehensive, well-documented, and insightful. It is hoped that the book will receive a welcome

response from the lovers of Ghalib, who was an outstanding poet fit to rank with the greatest poets of the world, and a precious part of our cultural heritage.
