

Books By Emile Durkheim

Émile Durkheim

Emile Durkheim Steven Lukes, 1985 This study of Durkheim seeks to help the reader to achieve a historical understanding of his ideas and to form critical judgments about their value. To some extent these two aims are contradictory. On the one hand, one seeks to understand: what did Durkheim really mean, how did he see the world, how did his ideas relate to one another and how did they develop, how did they relate to their biographical and historical context, how were they received, what influence did they have and to what criticism were they subjected, what was it like not to make certain distinctions, not to see certain errors, of fact or of logic, not to know what has subsequently become known? On the other hand, one seeks to assess: how valuable and how valid are the ideas, to what fruitful insights and explanations do they lead, how do they stand up to analysis and to the evidence, what is their present value? Yet it seems that it is only by inducing oneself not to see and only by seeing them that one can make a critical assessment. The only solution is to pursue both aims--seeing and not seeing--simultaneously. More particularly, this book has the primary object of achieving that sympathetic understanding without which no adequate critical assessment is possible. It is a study in intellectual history which is also intended as a contribution to sociological theory.

Readings from Emile Durkheim Prof Kenneth Thompson, 2004-08-02 First published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

Emile Durkheim Robert Alun Jones, 1986-01-01 Professor Jones gives a succinct and critical analysis of the sociological theories and methodology of Emile Durkheim. He focuses on four of Durkheim's books -- The Division Of Labour In Society (1893), The Rules Of Sociological Method (1895) and The Elementary Forms Of Religious Life (1912). With an illuminating chapter analysis of each work, this text is ideal for undergraduate and graduate students.

Emile Durkheim on Morality and Society Emile Durkheim, 1973 Selections from Durkheim's writings focus on the nature of his conception of society and its moral context.

Sociology and Philosophy (Routledge Revivals) Emile Durkheim, 2009-12-15 First published in English in 1953, this volume represents a collection of three essays written by seminal sociologist and philosopher Emile Durkheim in which he puts forward the thesis that society is both a dynamic system and the seat of moral life. Each essay stands alone, but their connecting thread is the dialectic demonstration that a phenomenon, be a sociological or psychological one, is relatively

independent of its matrix. The essays provide a valuable insight into Durkheimian thought on sociological and philosophical matters and offer an excellent guide to Durkheim for students of both disciplines.

Emile Durkheim W. S. F. Pickering, 2001 A five volume collection of scholarly journal articles and chapters from books covering the subject of Emile Durkheim's work. The five volumes are thematically organized in the following sections: Volume I: 1. Durkheim: The man himself, 2. General sociology. Volume II: 3. Religion, 4. Epistemology and the philosophy of science. Volume III: 5. Morality and ethics, 6. Political sociology. Volume IV: 7. Suicide and anomie, 8. Division of labour and economics, 9. Education

The Division of Labor in Society Emile Durkheim, 2014-02-25 In 1893, a young doctoral student was to publish an entirely original work on the nature of labor and production as they were being shaped by the industrial revolution. Emile Durkheim's *The Division of Labor in Society* studies the nature of social solidarity and explores the ties that bind one person to the next in order to hold society together. This revised and updated second edition fluently conveys original arguments for contemporary readers. Leading Durkheim scholar Steve Lukes's new introduction builds upon Lewis Coser's original -- which places the work in its intellectual and historical context and pinpoints its central ideas and arguments -- by focusing on the text's significance for how we ought to think sociologically about some central problems that face us today.--Back cover.

Emile Durkheim Steven Lukes, 1985

Education and Sociology Émile Durkheim, 1956

Rules of Sociological Method Emile Durkheim, 1982-12 First published in 1895: Emile Durkheim's masterful work on the nature and scope of sociology--now with a new introduction and improved translation by leading scholar Steven Lukes. *The Rules of the Sociological Method* is among the most important contributions to the field of sociology, still debated among scholars today. Through letters, arguments, and commentaries on significant debates, Durkheim confronted critics, clarified his own position, and defended the objective scientific method he applied to his study of humans. This updated edition offers an introduction and extra notes as well as a new translation to improve the clarity and accessibility of this essential work. In the introduction, Steven Lukes, author of the definitive biography *Emile Durkheim: His Life and Work*, spells out Durkheim's intentions, shows the limits of Durkheim's view of sociology, and presents its political background and significance. Making use of the various texts in this volume and Durkheim's later work, Lukes discusses how Durkheim's methodology was modified or disregarded in practice--and how it is still relevant today. With substantial notes on context, this user-friendly edition will greatly ease the task of students and scholars working with Durkheim's method--a view that has been a focal point of sociology since its original publication. *The Rules of the Sociological Method* will engage a new generation of readers with Durkheim's rich contribution to the field.

The Elementary Forms of Religious Life Émile Durkheim, 2001 Karen Fields has given us a splendid new translation of the

greatest work of sociology ever written, one we will not be embarrassed to assign to our students. In addition she has written a brilliant and profound introduction. The publication of this translation is an occasion for general celebration, for a veritable 'collective effervescence.'-- Robert N. Bellah Co-author of *Habits of the Heart*, and editor of *Emile Durkheim on Morality and Society* This superb new translation finally allows non-French speaking American readers fully to appreciate Durkheim's genius. It is a labor of love for which all scholars must be grateful.--Lewis A. Coser

Readings from Emile Durkheim Emile Durkheim, 1989

Emile Durkheim Peter Hamilton, 1995 Completing the project of the earlier assessments, these volumes concentrate on four themes: the reception of Durkheim's work during his life; the relationship between his ideas and French society; his influence on his followers; and his relevance today.

The Elementary Forms of the Religious Life Émile Durkheim, Joseph Ward Swain, 2008-04-04 In this 1912 classic, a founder of modern sociology examines animism, naturism, totemism, myth, and ritual. Durkheim maintains that the source of religion and morality lies in collective consciousness, rather than in individual minds. His intriguing views are still a topic of debate among sociologists, anthropologists, ethnographers, philosophers, and theologians.

Emile Durkheim and His Sociology Harry Alpert, 1969

Emile Durkheim on the Family Mary Ann Lamanna, 2001-10-24 This valuable source for a systematic and comprehensive understanding of Durkheim's ideas on the family constitutes a major addition to the literature on the family, social theory, women's studies, and family law. Highly recommended for upper-division undergraduates and above. -CHOICE *Emile Durkheim on the Family* is intended to bring attention to this classical sociologist's work on the family. Durkheim's writings in this area are little known, but the family was nevertheless one of his primary interests, the subject of an intended book that was never written. Durkheim's ideas on the family appear only in scattered sources and a number of those sources have not been translated into English. Durkheim's *Sociology of the family* has not heretofore been presented and analyzed holistically. The purpose of Lamanna's book is to bring together Durkheim's ideas on the family from diverse sources and to present his family sociology systematically and comprehensively. Quotations from Durkheim's writing or speaking enrich the analysis. Durkheim's work on the family is situated in its historical context and comparisons are drawn to present-day sociology of the family is situated in its historical context and comparisons are drawn to present-day sociology of the family and family issues. Chapter topics include: Durkheim's life and times His evolutionary theory of the family Methodologies for studying the family The changing relationship of kin Conjugal family and the state The interior of the family Family policy Gender Sexuality An examination of Durkheim's work on the family reveals its close connections to his well-known books and theories. *Emile Durkheim on the Family* should interest audiences in sociology of the family, social theory, family science, European intellectual history women's studies, legal history, and those generally interested in family studies and / or nineteenth and

early twentieth century Europe.

Emile Durkheim Ivan Strenski, 2017-05-15 A new appreciation of Durkheim, now into its fourth decade, has extended our grasp of his intellectual ambitions beyond standard academic boundaries. Contributions to this revival of interest in Durkheim, many secreted away in obscure periodicals, are well worth being recognized for their unqualified excellence in helping us to uncover the original Durkheimian intellectual project in all its interdisciplinary complexity. Besides classic Durkheimian subjects such as religion, social solidarity and suicide, these studies bring to light Durkheim's intellectual inquiry into political theory, comparative ethnology, social reconstruction, questions of civil society, and his articulation of an updated individualism in conversation with Marx, Hegel, Spencer and others. Authors who have helped us attain this more rounded conception of the Durkheimian project include such well-known figures as Robert N. Bellah, Robert Alun Jones, Anthony Giddens, W. S. F. Pickering and Edward Tiryakian. More than matching these contributions are the surprising writings by authors from across the disciplines, including such contemporaries of Durkheim as historian Henri Berr and theologian Alfred Loisy, as well as modern-day writers who deserve to be much better known, such as philosopher, John Brooks III or historian John Bossy. Although this collection is overwhelmingly drawn from sources in English, two classic critical pieces by French contemporaries of Durkheim enhance the value of this anthology.

Durkheim on Religion Emile Durkheim, 2011-01-27 The famous French sociologist Emile Durkheim is universally recognised as one of the founding fathers of sociology as an academic discipline. He wrote on the division of labour, methodology, suicide and education, but his most prolific and influential works were his writings on religion, which culminated in his controversial book *The Elementary Forms of the Religious Life*. Although his influence continued long after his death in 1917, this is the first book to provide a detailed look at the whole of his work in the field of religion. *Durkheim on Religion* is a selection of readings from Durkheim's writings on religion, presented in order of original publication, ranging from early reviews to articles and extracts from his books. Also included are detailed bibliographies and abstracts together with contributions by such writers as Van Gennep, Goldenweiser and Stanner. This book will be invaluable to those studying sociology and anthropology, but will also be of interest to those studying the history or philosophy of religion, as well as to anyone with an interest in Durkheim.

Emile Durkheim and His Sociology (Classic Reprint) Harry Alpert, 2016-09-14 Excerpt from *Emile Durkheim and His Sociology* Part II discusses only a few of the problems raised by Durkheim's conception of the nature, scope, and method of sociology. Our main effort here is to indicate the advantages of Durkheim's broad view of sociology as a positive science of social behavior, as a rejuvenating method of social investigation, and as a solid foundation for an integral social philosophy. Sociology must don overalls and dig deeply for the fact-stuff that is its life-blood. But it must also, without trepidation, soar into the higher regions of rational thought whence alone come proper synthesis and integration. About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Émile Durkheim on Morality and Society Émile Durkheim, 1973

The Top Books of the Year Books By Emile Durkheim The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. Books By Emile Durkheim : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Books By Emile Durkheim : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Books By Emile Durkheim : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the

students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Books By Emile Durkheim Introduction

In the digital age, access to information has become easier than ever before. The ability to download Books By Emile Durkheim has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Books By Emile Durkheim has opened up a world of possibilities. Downloading Books By Emile Durkheim provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Books By Emile Durkheim has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Books By Emile Durkheim. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also

upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Books By Emile Durkheim. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Books By Emile Durkheim, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Books By Emile Durkheim has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Books By Emile Durkheim Books

What is a Books By Emile Durkheim PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Books By Emile Durkheim PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Books By Emile Durkheim PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Books By Emile Durkheim PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Books By Emile Durkheim PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to

set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
