Michael Andor Brodeur

No Excuses David A. Graziosi, 2012-04-26 With sarcasm and wit *No Excuses*, shines a light on how people will make any excuse to get out of working out. It tells the straightforward truth for why excuses prevent people from realizing their full potential.

100 Best Fitness Inspiration Quotes Lily McNeil, 2012-05-08 Working out, like breakin up, can be hard to do. Both involve physical and mental strain, and sometimes sweat and tears (hopefully no blood, though). But unlike breaking up, working out makes you feel better, stronger, and more attractive. Exercising lightens your mood, sharpens your mind, and quickens your reflexes. Your digestion improves, your skin takes on a healthy glow, and that swimsuit ceases to be the enemy.

Go With the Flow and Find Your Way! B. Martin Lopez, 2022-01-06 Use reflection as a means to evaluate your situation and gain a new perspective that will thrust you forward to a new opportunity. —B. Martin Lopez When you pursue a career path, how often do you think what is required to be a leader, achieve success, and see failure as a positive? As you read this book, you will understand how reflection, perspective, and opportunity are critical in every aspect of your life and how developing into the person you dream of being requires more from you than you think. This book covers important questions that people ask themselves at some point in their lives: When you become a leader, do you think to yourself, where do I begin? To achieve success, do you think of what is required to attain it or keep it? When you fail, do you see the benefits that failure teaches you that success could not? This book answers these important questions through the stories, examples, and insights that will equip you with a positive understanding that you can achieve your goals with the right mindset. Life has a way of throwing curveballs at us that we just cannot hit; and that is okay when you understand that the negatives and positives we experience shape and mold us into the person we are meant to become. This book is where the rubber meets the road.

Blitz Your Life Tim Shaw, Richard Sowienksi, 2017-01-03 *Blitz Your Life* is a collection of reflections and challenges--reflections from a former Tennessee Titans linebacker on a life lived fearlessly, and challenges from a man living with a sense of urgency to make a difference every single day. In stories ranging from Tim's time on the field, to the radically different goals that resulted from his diagnosis with ALS in 2014, as well as those who have inspired him with their own warrior successes, Tim wants to encourage and equip readers to truly know themselves. Only then, he says, can they know their true

passions and pursue those dreams with everything they've got. With equal doses of seriousness and humor, Tim walks readers through whiteboard challenges to help them run fearlessly toward what they're meant to do and be. A tireless fighter from his days of explosive speed off of the defensive line to his efforts to raise awareness of ALS, his message is a courageous call to find and enjoy a life with purpose.

Unscripted Ken Leiker, Mark Vancil, 2009-11-24 The fans in their seats are barely able to contain themselves. The buzz of the crowd rises higher and higher until that first Superstar walks onto the stage and into the ring. It doesn't matter where you are in the arena-ringside or high above the floor you know that it's going to be an exciting night. There are signs everywhere, the people in their seats chant for their favorite wrestler. You get caught up in the wave of excitement filling the place. Maybe tonight a title changes hands. This is the WWE anything can happen. You begin to wonder just what is it like to be a WWE Superstar. What do you have to do everyday to make it? What is it like to spend your life with countless numbers of people cheering or even booing you? You look into the ring and wonder. What if you could go behind the stage? What if you could travel with one of the wrestlers? What would it be like to visit a Superstar in their home? *Unscripted* is an unvarnished, all access look inside the lives of World Wrestling Entertainment's Superstars. From life on the road traveling more than two hundred days a year, to performing in front of hundreds of thousands, the WWE's Superstar's share their incredible story in their own words offering readers an unprecedented glimpse behind the scenes. The Undertaker tells you why he didn't become a professional basketball player. Goldberg tells you why he joined the WWE. The Rock reveals how his own father tried to sabotage his career. Triple H and Stephanie McMahon speak openly and frankly about their relationship. Chris Jericho describes how he keeps it all in perspective. Sean Michaels talks about his revitalized career and how important his family and his faith are. Kurt Angle explains how you can wrestle with a broken neck. *Unscripted* lifts the curtain on the backstage areas of the shows, the homes and the everyday lives and ordinary events of these extraordinary people. It is a lavishly illustrated tribute to the men and women who climb over the rope day-after-day for the roar of the crowd.

Swole Michael Andor Brodeur, 2024-05-28 From a Washington Post critic and self-described meathead, a witty, incisive, poignant exploration of male body image, from the history of the gym to the politics of superheroes to the world of manfluencers Michael Andor Brodeur is a Gen-X gay writer with a passion for bodybuilding and an insatiable curiosity about masculinity—a concept in which many men are currently struggling to find their place. In our current moment, where “manfluencers” on TikTok tease their audiences with their latest videos, where right-wing men espouse the importance of being “alpha,” as toxic masculinity and the patriarchy are being rightfully criticized, the nature of masculinity has become murkier than ever. In excavating this complex topic, Brodeur uses the male body as his guide: its role in cultures from the gymnasias of ancient Greece to Walt Whitman’s essays on manly health, from the rise of Muscular Christianity in 19th-century America to the swollen superheroes and Arnold Schwarzeneggers of Brodeur’s childhood. Interweaving history, cultural criticism, memoir, and reportage, laced with an irrepressible wit, Brodeur takes us into the unique culture centered around men’s bodies, probing its limitations and the promise beyond: how men can love themselves while rejecting the aggression, objectification, and misogyny that have for so long accompanied the quest to become swole.

Transgressive Bodies Niall Richardson, 2016-02-17 In recent years the body has become one of the most popular areas of study in the arts, social sciences and humanities. *Transgressive Bodies* offers an examination of a variety of non-normative bodies and how they are represented in film, media and popular culture. Examining the non-normative body in a cultural studies context, this book reconsiders the concept of the transgressive body, establishing its status as a culturally mutable term, arguing that popular cultural representations create the transgressive or freak body and then proceed to either contain its threat or (s)exploit it. Through studies of extreme bodybuilding, obesity, disability and transsexed bodies, it examines the implications of such transgressive bodies for gender politics and sexuality. *Transgressive Bodies* engages with contemporary cultural debates, always relating these to concrete studies of media and cultural representations. This book will therefore appeal to scholars across a range of disciplines, including media and film studies, cultural studies, gender studies, sociology, sports studies and cultural theory.

Cooking, Eating, Thinking Deane W. Curtin, Lisa Maree Heldke, 1992 Philosophy has often been criticized for privileging the abstract; this volume attempts to remedy that situation. Focusing on one of the most concrete of human concerns, food, the editors argue for the existence of a philosophy of food. The collection provides various approaches to the subject matter, offering new readings of a number of texts--religious, philosophical, anthropological, culinary, poetic, and economic. Included are readings ranging from Plato's *Phaedo* and Verses of Sen-No-Rikyu to Peter Singer's *Becoming a Vegetarian* and Jean-François Revel's *Culture and Cuisine*. This reader will have particular appeal for philosophers working in social theory, feminist theory, and environmental ethics, and for those working on alternative approaches to such traditional subject areas as epistemology, aesthetics, and metaphysics.

Everyone is sure to find some favorites inside--from *Singin' in the Rain* to *Rain Man*; from *Cool Hand Luke* to *Some Like It Hot*; from *High Noon* to *Titanic*. In addition, Stanley has dug up fascinating bits of trivia to accompany every movie.
