Failure Is an Option H. Jon Benjamin, 2019-05-07 "Writing this funny requires immense talent." —AV Club H. Jon Benjamin—the lead voice behind Archer and Bob's Burgers—helps us all feel a little better about our own failures by sharing his own in a hilarious memoir-ish chronicle of failure. Most people would consider H. Jon Benjamin a comedy show business success. But he'd like to remind everyone that as great as success can be, failure is also an option. And maybe the best option. In this book, he tells stories from his own life, from his early days (wherein I'm unable to deliver a sizzling fajita) to his romantic life (how I failed to quantify a threesome) to family (wherein a trip to P.F. Chang's fractures a family) to career (how I failed at launching a kid's show). As Jon himself says, breaking down one's natural ability to succeed is not an easy task, but also not an insurmountable one. Society as we know it is, sadly, failure averse. But more acceptance of failure, as Jon sees it, will go a long way to making this world a different place . . . a kinder, gentler place, where gardens are overgrown and most people stay home with their pets. A vision of failure, but also a vision of freedom. With stories, examples of artistic and literary failure, and a powerful can't-do attitude, Failure Is an Option is the book the world doesn't need right now but will get regardless.

Failure Is Not an Option Veer Sagar, 2023-03-18 Veer Sagar successfully converted from CEO to entrepreneur when he was 55, founding Selectronic, a pioneer of the back-office revolution in India. Failure... Is Not an Option! Carl a. Welliver, Phd Carl a Welliver, 2018-01-07 *Failure...Is NOT an Option* is based on the 30 causes of failure as they were outlined in Napoleon Hill's best selling 1937 version of *Think and Grow Rich*. This book has been an inspiration to millions of readers worldwide that sought success in many areas of their lives. In this book it is my desire to spell out for the reader that there really is no such thing as failure in life, but simply learning experiences. You see failure or the perceived failures in life are simply that what we hold on our mind. But when we adjust our thinking to eliminate the word failure from our vocabulary then and only then can we accept that each temporary setback that we experience in life is merely a learning experience. If you accept that thinking then you simply cannot fail at anything in your life. After all, life is a learning experience and each day as we evolve in that learning process of life we can only improve and get better. Thomas Edison the prominent inventor was once credited with saying after he failed over 10,000 times while trying to perfect the incandescent light bulb, I have not failed. I have just found 10,000 ways that did not work.
