Robert Hunter

The 5 Love Languages Singles Edition Gary D. Chapman, 2014-01-21 This simple concept can revolutionize all your relationships! Nothing has more potential for enhancing one's sense of well-being than effectively loving and being loved. This book is designed to help you do both of these things effectively. -Gary Chapman With more than 10 million copies sold, The 5 Love Languages® continues to strengthen relationships worldwide. Although originally crafted with married couples in mind, the love languages have proven themselves to be universal, whether in dating relationships or with parents, coworkers, or friends. The premise is simple: Different people with different personalities express love in different ways. Therefore, if you want to give and receive love most effectively, you've got to learn to speak the right language. The 5 Love Languages® Singles Edition will help you . . . Discover the missing ingredient in past relationships Learn how to communicate love in a way that can transform any relationship Grow closer to the people you care about the most Understand why you may not feel loved by those who genuinely care about you Gain the courage to deeply express your emotions and affection to others Includes Personal Profile assessments and a study guide

The 5 Love Languages Singles Edition Gary Chapman, 2017-01-03 Simple ways to strengthen any relationship With more than 20 million copies sold, The 5 Love Languages® continues to transform relationships worldwide. And though originally written for married couples, its concepts have proven applicable to families, friends, and even coworkers. The premise is simple: Each person gives and receives love in a certain language, and speaking it will strengthen that relationship. For singles, that means you can: Understand yourself and others better Grow closer to family, friends, and others you care about Gain courage to express your emotions and affection Discover the missing ingredient in past relationships Date more successfully and more Whether you want to be closer to your parents, reach out more to your friends, or give dating another try, The 5 Love Languages®: Singles Edition will give you the confidence you need to connect with others in a meaningful way. Nothing has more potential for enhancing one's sense of well-being than effectively loving and being loved. This book is designed to help you do both of these things effectively. — Gary Chapman Includes a quiz to help you learn your love language, plus a section on the pros and cons of online dating.

The 5 Love Languages/5 Love Languages Men's Edition/5 Love Languages of Teenagers/5 Love Languages of Children Gary Chapman, Ross Campbell, 2010-04-21 This set includes The 5 Love Languages, The 5 Love Languages Men's Edition, The 5 Love Languages of Teenagers, and The 5 Love Languages of Children. In The 5 Love Languages, #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse’s primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. In The 5 Love Languages Men's Edition, Dr. Chapman guides husbands in identifying, understanding, and speaking their wife’s love language. Husbands are commanded to love their wives, but do you know what really makes your wife feel loved? Are you tired of missed cues and confusing signals? Everyone has a primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. Each chapter concludes with ten simple and practical ideas for expressing that love language to your wife. You’ll both enjoy taking the new love languages assessment and building a lasting, loving marriage. Includes a promotional code to gain exclusive online access to the new comprehensive love languages assessment. In The 5 Love Languages of Children, the author examines the different languages your children speak. Sometimes they waver for your attention, and other times they ignore you completely. Sometimes they are filled with gratitude and affection, and other times they seem totally indifferent. Attitude. Behavior. Development. Everything depends on the love relationship between you and your child. When children feel loved, they do their best. But how can you make sure your child feels loved? Since 1992, Dr. Gary Chapman's best-selling book The Five Love Languages has helped more than 300,000 couples develop stronger, more fulfilling relationships by teaching them to speak each others love language. Each child, too, expresses and receives love through one of five different communication styles. And your love language may be totally different from that of your child. While you are doing all you can to show your child love, he may be hearing it as something completely opposite. Discover your child's primary language and learn what you can do to effectively convey unconditional feelings of respect, affection, and

commitment that will resonate in your child's emotions and behavior. In *The 5 Love Languages of Teenagers*, Dr. Gary Chapman explores the world in which teenagers live; explains the developmental changes; and give tools to help you identify and appropriately communicate in your teens love language. Socially, mentally, and spiritually teenagers face a variety of pressures and stresses each day. Despite these peer pressures; it is still parents who can influence teens the most. Are you equipped to love your teenager effectively? Get practical tips on loving your teen effectively and explore key issues in your teen's life including anger and independence. Finally learn how to set boundaries that are enforced with discipline and consequences, and discover useful ways for the difficult task of loving when your teen fails.
