We Met in September Annmarie Sartor,2015-01-02 Ned Ellion has it all. Hes at the top of the business world. He has family and friends he cherishes and a beautiful wife he adores. He lives the literal lifestyle of the rich and famous. Little does he know that catastrophe lurks right around the corner, and his life and all he holds dear will be threatened and tested again and again. We Met in September is a riveting story of love, loss, and hope chronicling the rise to success and disappearance of international sailing magnet Ned Ellion. As her world spins out of control, Kathryn Chambers Ellion embarks on a frantic search for her missing husband, answers to impossible questions, and the touch of magic that only true love can inspire.

Inspiration Akin O. Akindele,2002-03-11 This book is about life and how to attain or approximate our most important aspirations. It is designed to benefit everyone involved in any kind of venture, or relationship. The book is especially important to people who, on a daily basis, have to achieve important (personal or business) objectives by persuading others

to see things their way, or at least to meet them half way for a constructive and beneficial outcome. This book is about life in all of its aspects. It attempts to reach and be helpful to each reader in most aspects of life, which the reader may need to improve, or re-evaluate. Part of the objective of this book is to make a person acting in an informed manner, become more comfortable with the choices that may from time to time be made. Understanding why those choices were made, and owning the benefits and being prepared to stoically deal with the attendant consequences that may flow from those choices. To be sure, this book is partly a concession to the sometimes unfathomable world in which we live. It is therefore no more than my own imperfect effort of attempting to make some sense out of how and why things are the way they are. How and why things have tended to work best for most people who have been deemed successful in various aspects of human endeavor, whether as a great parent, effective leader, a good advocate, an inspired creator of abundant wealth, an admired citizen, a trusted partner, or a great friend. Briefly, therefore, this book is divided into three broad chapters. Each chapter is further subdivided into appropriate sections, for an easy and hopefully logical flow. Chapter one attempts to lay out the general foundation for the kinds of issues and challenges to be addressed. Chapter two addresses these issues in the context of various life circumstances and relationships we each find, or may from time to time, find ourselves. Chapter three, the last chapter, hopefully succeeds in tying it all together. The goal of the book is achieved. By the time one completes reading the book, each reader will be able to identify a personal road map for success. And this road map is applicable to whatever field of endeavor, or aspect of life, that each person may desire greater measure of success. As we each pursue our respective aspirations which could range from a desire to be loved and embraced; a quest to be perceived as worthy; an important recognition, respect, reward, or some other opportunity, it is very important to be very cognizant of the kinds of actions, attitude, or mind set, that are more likely than not, to aid us in attaining the ultimate goal we crave. I call the constructive application of these various life tenets, THE WINNING FORMULA.

Young Justice Lisa-Marie Labercensie, 2013-10-29 I started writing as a means of expressing myself. I was not always sure how to express myself to the world. At times I felt people did not understand me. I wanted people to know me. I wanted them to understand what I am capable of becoming. So I wanted to narrate a story of me by writing poetry. My biggest inspirations were my parents, family, friends and self-respect. My parents were like stepping stones over troubled waters and they deserve to be made proud. My family walked behind me like an army, they are the people who were prepared to support me no matter how tough things got. I don't know where I would be without them. My friends are the people who finish my sentences. I respect them because they know so much about me, but yet they still want me in their lives. A true friend can see pass your differences and only looks at what makes you and her/him whole. Regarding my self-respect, I knew people wouldn't take immediate response to my poetry because I am still a young writer. I am still processing into improvement but I told myself to never give up, because the day will come when people will listen to my protest. I didn't only write this book to

make others understand me, but I also wrote it to understand myself better. I grew up being different from other children my age and I never really understood why, but ever since I have decided to write a book of poems. I have taught myself that God has given me this gift of being different, because He believes that I can fight through the challenges of life to become my own, unique self. Thanks for sharing my journey in your reading of this book.

Love Happens Deni Bash Hoffman, 2008-10-07 Within this cover are three stories, three different sets of life problems, three couples with one goal; to love and be loved by someone special! I hope that the title page summaries encourage you to read and enjoy a break from the rigors of life. Don't we all need a little romance and spice to remind us that life is truly a treasure?

LIES AND DECEPTION Chris Taylor, 2017-10-29 Monica Radford wants a baby. She's thirty-two and though not exactly ancient, she longs for a child before it's too late. The only problem is, she doesn't have a partner and has no intention of signing up for one. In her usual no-nonsense style, she decides to go out and find the perfect baby daddy. Colby Shearer has a successful, demanding career as a lawyer and crown prosecutor. By chance, he meets Monica at his younger sister's wedding. Immediately drawn to her stunning beauty, they engage in a torrid fling. But then the holiday is over and they return to their separate lives. While Colby is keen to remain in contact, Monica blows him off. He's confused and upset, but there is nothing he can do about it. Monica returns to her previous life, thrilled in the knowledge that she's pregnant. Determined to keep it a secret from Colby, she's shocked and horrified when she runs into him outside the court room. Relieved that she's only two months along and not showing, she then discovers he's prosecuting her brother for murder and will be in their lives for weeks to come. What will happen when he discovers her treachery? Will he demand to be part of her baby's life? To exert his rights as a father? It's her worst nightmare come true and the thought makes her sick - almost as sick as the realization her brother might be a murderer....
