Hestia-goddess of the Hearth Janet Bubar Rich, 2014 This book honors Hestia, the goddess of the hearth. It fills the gaping void in exclusive scholarship on Hestia and explores her as a pop culture icon in a quest to grasp her relevance for people today. Thinking about Hestia as an archetype of focus and centeredness may offer soulful refuge from the e-chatter overload that people face in their daily lives. It may help fulfill contemporary yearnings for authenticity and wholeness within human hearts and souls by offering us a path homeward, back to connections with people's inner selves.

Hestia Come Home Jerrilee Cain,2001 The renovation of a charming but ramshackle house in Massachusetts was the unexpected catalyst for a Jungian analyst's own remarkable journey of self-discovery. In a story that will resonate with all women, Jerrilee Cain describes how, while turning that 18th century farmhouse into a home, she awakened to her identification with Hestia, the goddess of the hearth. Here she presents an insightful analysis of the Hestian archetype that delves beneath the dowdy Victorian image of placid domesticity to reveal the original Greek concept of this ancient deity as the keeper of the burning creative force. Containing the perpetual flame that nurtures, the hearth is the symbol of the home. But that same fire also inspires, representing the ecstatic way of life. In explaining how the universal yearning for home is inextricably intertwined with a fundamental desire to realize one's passion, *Hestia Come Home* illuminates for all of us a path to finding that perfect place where our body will be nurtured while our soul finds its life-affirming purpose. This lyrical and compelling narrative opens our own awareness to the goddess within who has the power to guide us home.

Kate Dooley,2006-05 Magic is practical: the air you breathe, the fire of your will, your strong emotions, all coming together into form. This book is a window into methods used by one hearth keeper to enhance her own life and those of her kindred and family through the use of magic. It's a homespun treasury of skills: divination, prayers, meditations, and rites that will enable you to build your inner fire for the practical purpose of making daily life better. The exercises given within this book are centered on the energies of the Twelve Powers embodied by the Goddesses known as Handmaidens to Frigg: Syn, Fulla, Gna, Var, Lofn, Eir, Sjöfn, Hlin, Saga, Gefjon, Snotra and Vor; twelve powers who give fire to the center, to All-Mother, the Goddess of the Hearth. Learn about daily rites, needfire, and ways to keep Frigg's sacred day and how to apply this knowledge to your own life from this sourcebook born of the need to engage the magic of All-Mother.
