The Living Lenormand Eron Mazza, 2025-10-21 A simple explanation of the thirty-six straightforward cards. The Living Lenormand is a brilliant introduction to a resurging system of divination, seeking to help you sharpen your intuition and tell the difference between the voice of the cards and the cacophony of other voices that flood our minds on a daily basis. Eron Mazza takes the reader through the history of the Lenormand deck and Marie Anne Lenormand, the reader whose famous divinatory practices inspired the name. Mazza shares anecdotes from more than fifteen years of reading experience, highlighting the understated elegance of Lenormand. The Living Lenormand presents Lenormand as an equal to more mainstream divination systems, such as runes and the tarot, with greater potential for widespread and discreet use. Mazza provides essential insights on effective ethics, spellwork, and building your intuition for private and public readings. Get to know the imagery and magical potential of the Lenormand deck alongside the expertise of a longtime reader.

The Final Lap Jim McCann IV, 2012-11-27 Let us run with patience the particular race that God has set before us. Keep your eyes on Jesus, our leader and instructor Hebrews 12:12 (TLB) Did you know that you are in a race? We are all in a race that was started over two thousand years ago by Jesus Christ, our leader and instructor. No one can make you run this race; it's a calling that's entirely up to you. What is this race? It's the call to prepare the way of the Lord! Just as John the Baptist

was called to prepare the way for the Lords first coming, we are called to prepare the way for the second coming of our Lord Jesus Christ.

Keep'n It Poetically Lyrikal Kimberly Williams,2010-11-23 My book is about how my ancestors freed me from a life style I was too caught up in, and prison set me free mentally. While my ancestors, were sending me messages using me for a vehicle to carry this message of love to my future generation my folk poetry, and what the corruption of drugs do to you if you keep on going down that road, with a mixer of hip hop, poetry and soul music taking you in many elements of bringing out my inner being, and the mental effects what had on my brain yet I still didn't give up hope to write this book even with a disability I kept my eyes on the prizes focusing and the truth and if I can do it you can too. Sending out my blessing to all who get the message...and this is not the last of me. Justice just began with me.
