Mila Young

Mark Me Mila Young, 2023-09-05 I'm marked...but I won't be tamed. Loss has scarred my life. I've trained relentlessly, endured unimaginable pain for one goal-to face the beast who watched me, who came for me. But took my family instead. There's nothing I won't do for vengeance. Until three sinful and unhinged monsters find me, emerging from the shadows with sharp teeth, and with claws that could pull apart my life as easily as they do the buttons on my dress. They think they can break me... Absurd. Yet I'm caught in their twisted war in a world in ruins and fraying at the edges. They won't leave me alone, insisting I belong to them. That they'll make me irrevocably theirs. Resisting the fantasies they promise grows harder with every passing day, and it scares me how easily I've started thinking of them as my own monsters. But I remind myself I obey no one. Especially when I'm starting to suspect that they had a hand to play in my family's death. They aren't the first monsters I've faced. They'll most certainly be the last...

Trick Me Mila Young, 2025-10-06 He's the kind of wrong that ruins you for anyone else. I talk to the dead for a living, which means my social life is exactly what you'd expect—completely flatlined. But when a black envelope appears on my desk with an invitation to the All Hallows' Eve Ball, the spirits whisper warnings in my ear. Stay away. I should have listened. Instead, I'm at a fae party where something goes terribly, violently wrong. My connection to the dead vanishes, replaced by something wild and hungry clawing beneath my skin. Something that makes me want to run, to hunt, to tear things apart with hands that suddenly have claws. Then I meet him. Dark, dangerous, and looking at me like I'm prey. Every instinct

screams to flee, but when he follows me into the woods, when he catches me... I'm the one who pounces. Who can't stop inhaling his scent. Who wants to sink my teeth into his throat and mark him as mine. This isn't me. I don't lose control. I don't crave violence. I definitely don't let strangers whisper dark promises about keeping me forever while their hands make me forget why I ever wanted to escape. My magic is gone. This feral need has taken its place. And the man pinning me against a tree, teaching me to breathe through the transformation ripping me apart from the inside? He might be my salvation. Or he might be the darkness the ghosts tried to warn me about. Either way, I'm already lost. Some hungers, once awakened, can never be satisfied. Trick Me is a dark, spicy standalone paranormal romance featuring feral attraction, and fated mates who fight their bond until it's too late. Set in a world where magic and monsters rule, Trick Me guarantees a happily ever after. Perfect for readers who like their romance with bite, their heroes morally gray, and their heroines discovering their wild side.

To Catch A Fae Mila Young, 2021-02-28 First, I fell in love with a man I wasn't sure existed outside of my own head. Then he drew me into a magical realm, a place that doesn't feel real, even though it most certainly is. He found me there and said I belonged to him, but two other dark suitors have also staked their claim. They say I'm in danger, that only they can save me... only they can satisfy me. I'm different, special, the key to something important—something I don't yet understand. Will I survive long enough to find a way back to my world? And if I do, will I still want to return? The captivating scorching hot first book in the brand new Winter's Thorn series. For lovers of paranormal romance, fae romance, enemies to lovers, filled with Alpha males, and is for reverse harem addicts. It includes a sassy heroine and three fae princes. Hexes and Hounds Mila Young, 2022-05-17 Love is complicated. But then so is a stake through the heart. There's a curse that runs through the Blackthorne Wolves. Gnarled and Ancient. Unbreakable, they say. It started with the Witches and now it's spread like a disease, infecting Wolves... And now Vampires. Livingstone Vampires. Mom's frantic calls led me to the Blood Moon Academy, a dangerous place for any Immortal. I found dad there, chained like a beast, filled with rage. And as everything changes around me, I'm sent a command from the Ancient...it's time to step up. Time to be the Vampire my kind needs me to be. Understudy. Vampire. Daughter. I don't know who I am anymore. But I'll search for answers. I'll do it all with the Wolves, my best friend and my bodyguard at my side. And as the curse reaches out and marks my skin, I start to question everything. How far will I go for love? And, how far will love go for me?

Wicked Heat Mila Young, 2021-06-01 Four haunted men, and a death wish with my name all over it. My friends call me Sephy (short for Persephone). At seven I killed my first demon. It wasn't much, an accident really... but one taste of a demon kill and I was possessed. At thirteen, my home-town banished me. Still, I considered this ability a gift and not a curse, until my twenty-first birthday... when all Hell broke loose. Demonic spirits are crossing over into our world, promising terrifying things. They're targeting me and my piece of shit ex-boyfriend, a damn cop who's been riding my case for the last two months, a friend who's broken my heart, and a brother of a girl I saved from a demon attack. Normally, I'm a look-on-the-bright-side kinda girl, but the bright side is getting darker, and demons are closing in. And the only hope of me surviving is to team up with these four guys, as long as the madness doesn't claim me first.
