KJ Lindholm-Leary

Redwall Brian Jacques, 1997-09-01 The book that inspired a legend—the first novel in the bestselling saga of Redwall. Welcome to Mossflower Wood, where the gentle mice have gathered to celebrate a year of peace and abundance. All is well...until a sinister shadow falls across the ancient stone abbey of Redwall. It is rumored that Cluny is coming—Cluny, the terrible one-eyed rat and his savage horde—Cluny, who has vowed to conquer Redwall Abbey! The only hope for the besieged mice lies in the lost sword of the legendary Martin the Warrior. And so begins the epic quest of a bumbling young apprentice—a courageous mouse who would rise up, fight back...and become a legend himself. “The medieval world of Redwall Abbey—where gallant mouse warriors triumph over evil invaders—has truly become the stuff of legend.”—Seattle Post-Intelligencer

Redwall Brian Jacques, 1998 A special ten-year anniversary of one of the most beloved fantasy adventures of all time.

Dragons in the Stacks Steven A. Torres-Roman, Cason E. Snow, 2014-10-17 A one-stop, complete guide to tabletop role-playing games for novice librarians as well as seasoned players. Tabletop role-playing games (RPGs) are a perfect fit for library teen services. They not only hold great appeal for teen patrons, but also help build important skills ranging from math and literacy to leadership and dramatics. Role-playing games are cost-effective too. *Dragons in the Stacks* explains why RPGs are so effective at holding teenagers' attention, identifies their specific benefits, outlines how to select and maintain a RPG collection, and demonstrates how they can enhance teen services and be used in teen programs. Detailed reviews of role-playing games are included as well, with pointers on their strengths, weaknesses, and library applications. Coauthored by an experienced young adult librarian and an adult services librarian, this is the definitive guide to RPGs in the library, and the only one currently available.

Building an ESL Collection for Young Adults Laura McCaffery, 1998-10-28 This annotated bibliography of more than 500 recommended books meets the needs of teachers and librarians for reading materials for young adults for whom English is a second language. Laura McCaffery, who has many years of experience with collection development of ESL materials for young adults, has selected the best books on a variety of topics to meet curriculum and personal interest needs of young adults. Most of the books selected were published between 1992 and 1998. The bibliography is organized by topic: adventure, mystery, and suspense; biographies; career, workplace, life skills, and parenting; folktales, myths, poetry, and

classics; ethnic diversity; history and geography; nature and science; and sports. Indexes by author, subject, title, and ethnic group make searching easy. Mainstreamed ESL students can use these books to better understand and make use of regular textbooks. Special ESL classes can use the recommended books as part of regular instruction. Most of the books recommended are for the intermediate or advanced beginner reading level in English, but some very easy books are also included. Most of the books are suitable for all learners from grades five through adult. Each entry contains a complete bibliographical citation, Fry Reading Level, Interest Level, Library of Congress subjects for cataloging, and a 50 to 200 word annotation describing the book and how it can be used by the librarian or teacher who is working with patrons or students. A list of distributors of print and nonprint ESL materials completes the work.
