The ^ABlessings of Business Darren E. Grem, 2016-05-02 While preachers, activists, and politicians have all helped spread the gospel, Darren Grem argues that evangelicalism owes its strength to the blessings of business. Grem offers a new history of American evangelicalism, showing how its adherents strategically used corporate America--its leaders, businesses, money, ideas, and values--to advance their religious, cultural, and political aspirations.

Trriorities Rich Hatfield, 2010-11 Ask yourself; is there a better way to live? *TRIORITIES* challenges you to make the effort to mentally step out of the game for a moment, and to consider your life; where it has brought you, your priorities, and where it will probably take you if you stay the course. *TRIORITIES* will help you to consider if there might be a better way to live. *TRIORITIES* is about a life of focus, a life of balance, and a life that you endeavor to live well and enjoy along the way. Are you running from one task to the next but not enjoying any of it? Are you climbing ladders only to find the view from the top less than appealing? Then I challenge you to take a break from the treadmill of life to look at your life, your choices, your track record, and ultimately your future. Ask yourself; am I who I want to be? Am I all that God intended for me to be? Have I tried to be too many things, and failed to master any of them? If that simple evaluation brings you to a point of realization that maybe there might be a better way to do things then just maybe this is a plan for you to consider. *TRIORITIES* involves simple logic that challenges you to take a three step process to evaluate life, develop a plan to become what you want to become, and then, implement that plan in your life. Consider the value of simplicity in setting priorities in a complex world. Consider simplicity from a standpoint of being focused on three areas of life that we truly need to properly invest ourselves in, and manage accordingly. The three priorities of the *TRIORITIES* lifestyle are God, Family and Work.

The Unholy Union Al Hamilton, 2006-07 This book is a compilation of class lectures and messages dealing with the observation that the author has had in work with persecuted churches from Sudan, Africa to Bangladesh. I have traveled to 30 countries and helped recruit missionaries for Africa, Asia, Papua New Guinea and many countries on all Continents. The views expressed in these compiled articles are presented with frequent repetition for the sake of emphasis for young students who seek to get 'another' view of education, cultures and Biblical mission perspectives, than what might be provided in the religious circles in America today.
