*Submitting To My Best Friend's Dad* Sara King, 2024-12-07 After a bitter falling out with my former best friend Clara, I never expected to receive a letter from her inviting me to stay at her place. But when I arrive, it's not Clara who greets me, but her handsome and alluring father. As we reconnect, sparks fly between us and I can't resist the temptation of his experienced touch. But with our past forbidden encounter still haunting me, can I give in to the desires of this older man? And will our fiery passion ultimately reunite or ruin our once unbreakable bond? Prepare yourself for a steamy tale of forbidden love and seduction as I explore the wild and taboo cravings between myself and my best friend's sexy Dad. *Gas \$1.00* Jim King, 2008-02 It's nearly impossible today to imagine that gas would sell for just one dollar per gallon, but that's the goal of President Jack Reeder. After extensive study, former President Jimmy Jay Peoples concluded there is a large cache of crude and natural gas buried beneath the Antarctic continent. The oil field is estimated to be five million square miles in size-almost twice the size of the United States and Canada combined-and to contain enough crude oil and natural gas to supply the entire world for hundreds of thousands of years. President Reeder's project, located on the Ross Ice Shelf, presents many challenges. Researchers determine that puncturing the surface of the cache could cause an explosion that could destroy the earth. Not only must they find a way to access the oil and natural gas without endangering the world and transport it safely and efficiently, it must be done secretly according to President Peoples' Accord, a compact that one day shapes and determines the very existence of the United States. President Reeder is banking on the success of the project for his own future and that of the citizens of his entire country.

**King Alpha's Song in a Strange Land** Jason Wilson,2020-02-14 When Jackie Mittoo and Leroy Sibbles migrated from Jamaica to Toronto in the early 1970s, the musicians brought reggae with them, sparking the flames of one Canada's most vibrant music scenes. In *King Alpha's Song in a Strange Land*, professional reggae musician and scholar Jason Wilson tells the story of how the organic, transnational nature of reggae brought black and white youth together, opening up a cultural dialogue between Jamaican migrants and Canadians along Toronto's ethnic frontlines. This underground subculture rebelled against the status quo, eased the acculturation process, and made bands such as Messenjah and the Sattalites household names for a brief but important time. By looking at Canada's golden age of reggae from the perspective of both Jamaican migrants and white Torontonians, Wilson reveals the power of music to break through the bonds of race and ease the hardships associated with transnational migration.

The Two Worlds of Jim Yoshida Jim Yoshida,Bill Hosokawa,1972 Born in Seattle, WA, of Japanese American parents, Jim Yoshida grew up in a skid row hotel operated by his parents. He played football at his high school and was named All-City fullback and offered a college athletic scholarship. Sadly, his father died. His mother took him and his sisters to Japan to deliver his father's ashes to the family burial plot when WWII broke out and the family had to stay in Japan. Jim was forced to serve in the Imperial Japanese Army in China. There he had many experiences and suffered terrible ordeals. When the war ended and he made it back to Japan, he learned that he had lost his U.S. citizenship. To prove his loyalty, he persuaded a US officer to let him serve illegally as a volunteer throughout the Korean War. This is Jim Yoshida's own account of 2 wars and how he regained the admiration of his fellow Americans.
