HR For Small Business For Dummies - Australia Paul Maguire, 2014-01-24 The Australian small business owner's guide to making human resources easy More than 87 percent of Australian workplaces are small businesses employing fewer than 20 people. These small business owners know their markets, know their customers, and know how to make their small business run. What they may not know is the people stuff. HR for Small Business For Dummies, Australian Edition, explains the simple ins and outs of human resources for businesses too small to have a dedicated HR staff. When it comes to the daunting task of complying with employment regulations, small businesses are treated no differently than big businesses, so it's imperative for small business owners to understand the regulatory framework that governs every phase of the employee/employer relationship in Australia. Presents practical guidance on every major aspect of human resources for Australian small businesses Covers key topics including recruitment, paperwork, workplace conflict, non-discrimination policies, wages, superannuation, workers compensation, unfair dismissal, redundancy, and more Includes links to downloadable online resources, including checklists, sample forms, model policies, and guides Ideal for small business owners and entrepreneurs, students of human resources, and independent contractors looking to grow their business When it comes to hiring and managing employees in your small business, failing to understand human resources and employment regulations can cost you a bundle. HR for Small Business For Dummies makes human resources easy—so you can focus on business.

Core Tax Legislation and Study Guide 2022 Stephen Barkoczy, 2022-01-12 Core Taxation Legislation and Study Guide

is a reference text for students undertaking tax subjects. It provides curated extracts of legislation as well as useful guidance on study skills. Part 1: The Study Guide assists students to prepare for a tertiary taxation course and conduct basic taxation research. It refers to key reference material, including websites and research tools, and includes useful tips on study techniques, researching a tax problem, essay writing and presentation, answering taxation law exam questions and how to cite legislation, cases, articles, rulings and reports for assignments. Part 2: The Core Tax Legislation comprises selected extracts from relevant sections of taxation legislation and regulations. An essential resource, this text allows students to access the parts of the legislation they will need for a taxation law course in a time-saving and user-friendly way. Core Taxation Legislation and Study Guide 2022 is designed to be used in conjunction with Foundations of Taxation Law 2022.
