

The House Bentley Little

Kealan Patrick Burke

The House Bentley Little, 1999-04-01 Five strangers from across America are about to open the door to an unspeakable evil in this horror novel from “master of the macabre!”* Bentley Little. They share a dark bond. A haunted childhood. A shocking secret. A memory of the houses they lived in—each one eerily identical to the next. From the remote foothills of the west to the green lawns of suburbia, they are returning—to the past, to the unspeakable events they long to forget...to the house. Now, their journeys are about to converge in a terrifying challenge to confront their nightmares—or be trapped inside them forever.... *Stephen King

The Store Bentley Little, 2021-08-03 A malevolent presence has come to a small desert town, and the customers of this superstore may get more than they realized, in this bloodcurdling entry from horror expert Bentley Little. Juniper, Arizona, is an off-the-map desert town the retail giant called The Store has chosen for its new location. Now everything you could possibly want is under one roof, at unbelievable prices. But you'd better be careful what you wish for. This place demands something of its customers that goes beyond brand loyalty. At The Store, one-stop shopping has become last-stop shopping. Bill Davis is the only one in town who senses the evil lurking within The Store. But he can't stop his two teenage daughters from taking jobs there and falling under the frightening influence of its sadistic manager. When Bill finally takes a stand, he will get much more than he bargained for. . . .

The Haunted Bentley Little, 2012-04-03 With his “ability to disgust (and delight) even the most seasoned horror enthusiast” (Publishers Weekly), Bentley Little conjures up your greatest fears as he dares you to spend a night with the haunted.... Julian and Claire Perry and their two children, Megan and James, have made the move to a bigger, nicer home in their city's historic district. But something isn't right. The neighbors seem reluctant to visit. Claire can't shake the feeling that someone is watching her. Megan receives increasingly menacing and obscene texts. And James is having terrible dreams. No wonder, considering what he's seen in the corner of the basement, staring at him and shuffling closer ever so slowly. Pity no one warned the family about the house. Now it's too late. Because the darkness at the bottom of the stairs is rising....

The Summoning Bentley Little, 2001-04-01 Darkness is descending on the small town of Rio Verde, Arizona. An evil older than time is rising from the desert, waiting for night to fall and a reign of terror to begin... Brad Woods had performed

a lot of autopsies, but never one like this. The body was purged of all blood. And something told Brad this was only the beginning of a nightmare. Fear made Sue Wing run from the darkened school that night, fear she could only name in the Cantonese of her grandmother: Cup-hu-girngsi...corsope-who-drinks-blood... Vampires. The Devil, incarnate, stalking the streets of Rio Verde. Small-town reporters like Rich Carter didn't believe in such things. But he would come to believe with a faith borne of horror after horror...

Houses Bentley Little,1997-09-11 Five complete strangers from across America are about to come together and open the door to a place of evil that they all call home. Inexplicably, four men and one woman are having heart-stopping nightmares revolving around the dark and forbidding houses where each of them were born. When recent terrifying events occur, they are each drawn to their identical childhood homes, only to confront a sinister supernatural presence which has pursued them all their lives, and is now closer than ever to capturing their souls....

University Bentley Little,1995 Something is terribly wrong at the University of California at Brea. A pulsing, uncontrollable evil has taken possession of everything and everyone, driving students to commit unspeakable acts.

The Vanishing Bentley Little,2007-08-07 With his novels, "Bentley Little has created nothing less than a nightmarishly brilliant tour de force of modern life in America."—Publishers Weekly (starred review) In Beverly Hills, a wealthy CEO goes on a bloody rampage and videotapes the slaughter. He leaves behind a chilling cryptic message..."This is where it begins." Miles away, an alarmed mother receives an unsettling letter from her estranged husband, stained with bloody fingerprints. And all across California, children are becoming affected by a monstrous change—and their parents, by a mounting fear. Social worker Carrie Daniels and reporter Brian Howells are determined to find the link between these baffling crimes. But they shouldn't look too deeply into the lives of the victims. It's quite dark there. And God help them, they won't like what they find.

The Return Bentley Little,2002 There's only one thing that can follow the success of Bentley Little's acclaimed *The Association*, *The Walking*, and *The Revelation*. And that's Bentley Little's return.

Dominion Bentley Little,1996 His attempts at fitting in at a new school complicated by disturbing dreams, Dion Semele befriends Penelope Daneam, an orphan who has been raised by nuns, and the two become catalysts for a reign of incredible terror.

Reconsidering Elizabeth Bowen's Shorter Fiction Heather Levy, 2020-12-03 Reconsidering Elizabeth Bowen's Shorter Fiction: Dead Reckoning focuses on Elizabeth Bowen's representations of violence against the self and others. Heather Levy examines the complicity of landscape and the implications of mayhem, murder, and suicide in *The Collected Stories of Elizabeth Bowen* (2006) edited by Angus Wilson and *The Bazaar and Other Stories* (2008) edited by Alan Hepburn. It introduces five previously unpublished short story fragments and two nearly complete stories from *The Elizabeth Bowen Collection* at The Harry Ransom Research Center. Levy argues that Bowen's shorter fiction is a quixotic celebration of moral transgression, crime without punishment, and suicide without mourners. Bowen's compassionate response to offenders and violence anticipated the Perpetrator Trauma movement in the United States. Her innovations with the freedom of the short story produced an uncanny narration of violence. This book integrates the entirety of the scholarship on Bowen's short stories in a clear and original manner and offers a synthetic and compelling excavation of Bowen's unpublished short stories.

Essex James Bettley, Nikolaus Pevsner, 2007-01-01 Essex, one the largest counties of England, stretches from the suburban fringes of East London to the fishing and sailing ports of Harwich and Maldon and the famous seaside resorts of Clacton, Frinton, and Southend. Its buildings encompass rich Roman survivals, powerful Norman architecture, and the remains of major Tudor and Jacobean country houses. Essex is first and foremost a county famed for its timber buildings, from the eleventh-century church at Greensted to the early and mighty barns at Cressing Temple, and a wealth of timber-framed medieval houses. Later periods have also made their contribution, from Georgian town houses to Victorian and Edwardian industrial and civic buildings, and from important exemplars of early Modern Movement architecture to the major monument of High Tech at Stansted Airport.

Dead Leaves Kealan Patrick Burke, 2011-10-06 Strange text messages portend a strange kind of apocalypse...Two brothers find themselves drawn to the only house in the neighborhood not decorated for Halloween...A man returns to his hometown to bury his overbearing mother, and finds more than memories awaiting him in the shadows of his childhood home...A young girl walks a lonely country road, recalling a rhyme that brings with it memories of death...A teenager hoping for romance gets more than he bargained for when the object of his desire introduces him to the object of hers...An aging millionaire awakes buried in a cheap coffin with only a lamp and a bell for company...The son of a woman accused of being a
