**The Seven Year Slip** Ashley Poston, 2023-06-27 NEW YORK TIMES BESTSELLER • An overworked book publicist with a perfectly planned future hits a snag when she falls in love with her temporary roommate . . . only to discover he lives seven years in the past, in this witty and wise novel from the New York Times bestselling author of *The Dead Romantics*. A New York Public Library Best Book of 2023 A gorgeous love story from one of the finest romance writers out there.—Carley Fortune, New York Times bestselling author of *Every Summer After Sometimes*, the worst day of your life happens, and you have to figure out how to live after it. So Clementine forms a plan to keep her heart safe: work hard, find someone decent to love, and try to remember to chase the moon. The last one is silly and obviously metaphorical, but her aunt always told her that you needed at least one big dream to keep going. And for the last year, that plan has gone off without a hitch. Mostly. The love part is hard because she doesn't want to get too close to anyone—she isn't sure her heart can take it. And then she finds a strange man standing in the kitchen of her late aunt's apartment. A man with kind eyes and a Southern drawl and a taste for lemon pies. The kind of man that, before it all, she would've fallen head-over-heels for. And she might again. Except, he exists in the past. Seven years ago, to be exact. And she, quite literally, lives seven years in his future. Her aunt always said the apartment was a pinch in time, a place where moments blended together like watercolors. And Clementine knows that if she lets her heart fall, she'll be doomed. After all, love is never a matter of time—but a matter of timing.

**A Novel Love Story** Ashley Poston, 2024-06-25 NEW YORK TIMES BESTSELLER • A professor of literature finds herself caught up in a work of fiction . . . literally, from the New York Times bestselling author of *The Seven Year Slip* and *The Dead Romantics*. Eileen Merriweather loves to get lost in a good happily-ever-after. The fictional kind, anyway. Because at least imaginary men don't leave you at the altar. She feels safe in a book. At home. Which might be why she's so set on going her annual book club retreat this year—she needs good friends, cheap wine, and grand romantic gestures—no matter what. But when her car unexpectedly breaks down on the way, she finds herself stranded in a quaint town that feels like it's right out of a novel . . . Because it is. This place can't be real, and yet... she's here, in Eloraton, the town of her favorite romance series, where the candy store's honey taffy is always sweet, the local bar's burgers are always a little burnt, and rain always comes in the afternoon. It feels like home. It's perfect—and perfectly frozen, trapped in the late author's last unfinished story. Elsy is sure that's why she must be here: to help bring the town to its storybook ending. Except there is a character in Eloraton

that she can't place—a grumpy bookstore owner with mint-green eyes, an irritatingly sexy mouth and impeccable taste in novels. And he does not want her finishing this book. Which is a problem because Elsy is beginning to think the town's happily-ever-after might just be intertwined with her own.

Sounds Like Love Ashley Poston, 2025-06-17 A hitmaking songwriter and a bitter musician share a startling and inexplicable connection that they'll do anything to shake, in the next sparkling, magical book from the New York Times bestselling author of *The Seven Year Slip* and *A Novel Love Story*. Named a Most Anticipated book of Summer 2025 by People • Marie Claire • Brit + Co • Yahoo! Life • She Reads • and more! Joni Lark has a secret. She's one of the most coveted songwriters in LA, and yet she can't write. There's an emptiness inside her, and nothing seems to fill it. When she returns to her hometown of Vienna Shores, North Carolina, she hopes that the sand, the surf, and the concerts at The Revelry, her family's music venue, will spark inspiration. But when Joni gets there, nothing is how she left it. Her best friend is hiding something, her mother's memories are fading fast, and The Revelry is closing. How can Joni write when her world is leaving her behind? Until she hears it. A melody in her head, lyric-less and half-formed, and an alluring and addictive voice to go with it—belonging, apparently, to a wry musician with an emptiness of his own. Surely, he's a figment of Joni's overworked imagination. Then a very real man shows up in Vienna Shores. He's arrogant and guarded—nothing like the sweet, funny

voice in Joni's head—and he has a plan for breaking their inconvenient telepathic connection: finish the song haunting them both and hope they don't risk their hearts—or their secrets—in the process. Because that melody, the one drawing them together . . . what if it's there for a reason?

*The Dead Romantics: A GMA Book Club Pick* Ashley Poston, 2022-06-28 NEW YORK TIMES BESTSELLER • GOOD MORNING AMERICA BOOK CLUB PICK • A disillusioned millennial ghostwriter who, quite literally, has some ghosts of her own, has to find her way back home in this sparkling adult debut from national bestselling author Ashley Poston. A NEW YORK TIMES NOTABLE BOOK OF 2022 I LOVED this book! . . . Funny, breathtaking, hopeful, and dreamy.”—Ali Hazelwood, New York Times bestselling author of *The Love Hypothesis* Florence Day is the ghostwriter for one of the most prolific romance authors in the industry, and she has a problem—after a terrible breakup, she no longer believes in love. It's as good as dead. When her new editor, a too-handsome mountain of a man, won't give her an extension on her book deadline, Florence prepares to kiss her career goodbye. But then she gets a phone call she never wanted to receive, and she must return home for the first time in a decade to help her family bury her beloved father. For ten years, she's run from the town that never understood her, and even though she misses the sound of a warm Southern night and her eccentric, loving family and their funeral parlor, she can't bring herself to stay. Even with her father gone, it feels like nothing in this town has changed. And she hates it. Until she finds a ghost standing at the funeral parlor's front door, just as broad and infuriatingly handsome as ever, and he's just as confused about why he's there as she is. Romance is most certainly dead . . . but so is her new editor, and his unfinished business will have her second-guessing everything she's ever known about love stories. **Look on the Bright Side** Kristan Higgins, 2024-05-28 From the author of *Pack Up the Moon* comes a funny, romantic, and deeply moving novel about the unexpected rewards that come from life's detours. Lark Smith has always had a plan for her life: find a fantastic guy, create a marriage as blissful as her parents', pop out a couple of kids and build a rewarding career as an oncologist. Things aren't going so well. For one, the guy didn't work out. Theoretically, she'd love to find someone else, but it hasn't happened. Two, she's just been transferred out of oncology for being too emotional. (Is it her fault she's a weeper?) Three, her parents just split up. Deviating from the plan was...well, not in the plan. A potential solution comes from the foul-tempered and renowned surgeon Lorenzo Santini (aka Dr. Satan). He needs a date this summer for his sister's wedding. His ancient Noni wants to see him settled. In exchange, he could make a few introductions and maybe get Lark back into the field of her choice. As a sucker for old people and fake relationships, Lark agrees. Teeny problem—she instantly falls for his big, warm family. Especially his estranged brother. Meanwhile, Lark's mom has moved in with Lark's colorful landlady, Joy, and an unlikely friendship blossoms. The three women have a long summer and a big beautiful house on the ocean to figure out what's next...and quite possibly learn that the best things in life aren't planned at all.

**A Little Ray of Sunshine** Kristan Higgins, 2024-04-23 A kid walks into your bookstore and... Guess what? He's your son. The one you put up for adoption eighteen years ago. The one you never told anyone about. Surprise! And a huge surprise it is. It's a huge surprise to his adoptive mother, Monica, who thought she had a close relationship with Matthew, her nearly adult son. But apparently, he felt the need to secretly arrange a vacation to Cape Cod for the summer so he could meet his birth mother...without a word to either her or his dad. It's also a surprise—to say the least—to Harlow, the woman who secretly placed her baby for adoption so many years ago. She's spent the years since then building a quiet life. She runs a bookstore with her grandfather, hangs out with her four younger siblings and is more or less happily single, though she can't help gravitating toward Grady Byrne, her old friend from high school. He's moved back to town, four-year-old daughter in tow, no wife in the picture. But she's always figured her life had to be child-free, so that complicates things. When Matthew walks into Harlow's store, she faints. Monica panics. And all their assumptions—about what being a parent really means—explode. This summer will be full of more surprises as both their families are redefined...and as both women learn that for them, there's no limit to a mother's love.

### The Seven Year Slip Introduction

In today's digital age, the availability of The Seven Year Slip books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth

of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Seven Year Slip books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Seven Year Slip books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Seven Year Slip versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Seven Year Slip books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Seven Year Slip books and manuals, several platforms offer an extensive collection of resources. One

such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Seven Year Slip books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Seven Year Slip books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access

to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Seven Year Slip books and manuals for download and embark on your journey of knowledge?
