The Man Made of Smoke Alex North, 2025-05-08 YOU SAW IT. YOU WERE TOO SCARED TO ACT. BUT NOW IT'S COMING FOR YOU... From the mind behind the international bestseller The Whisper Man comes a new nightmare -- You never forget the day you meet a serial killer. Dan was just a teenager when he saw the man made of smoke, silent, watchful, vanishing into the mist. He was too scared to move, too scared to stop him. He's carried the guilt ever since. Now a criminal psychiatrist, Dan spends his life trying to understand the darkest minds. But when his father disappears, he's pulled back to the remote island he once called home, where something unsettling is waking. A body has been found. The past is reaching through the fog. And the man made of smoke might never have left. This time, Dan has to face what's been waiting in the

dark. -- Praise for The Man Made of Smoke 'The Man Made of Smoke was in equal parts terrifying, creepy, thrilling and moving' Marnie Riches 'A haunting, atmospheric story...Truly a white-knuckle read from start to finish' Tracy Sierra 'Creepy and atmospheric from the first page, The Man Made Of Smoke is as well-written as it is tense' Rachel Wolf 'Balancing his trademark hint of the supernatural with very real fears, this is a book full of regret and grief, but most of all heart' Sam Holland, author of The Echo Man 'I tore through this gritty tale of guilt, grief and the ghosts that haunt us. I loved every word' Rebecca Thorne, author of The Grief House 'Creepy, compelling and so fiendishly tricky, I couldn't put it down. Another surefire winner from the king of haunting!' The Unexpected Champion (High Sierra Sweethearts Book #3) Mary Connealy,2019-03-05 City dweller John McCall never expected to be out in the High Sierras of 1868 on a wild-goose chase to find the Chiltons' supposedly lost grandson. But now that he's out here, things have gotten even more complicated, mostly due to wildcat Penny Scott. She's not like any woman he's ever met--comfortable in the woods, with a horse, and with a gun. When Penny and John are taken against their will by a shadowy figure looking for evidence they don't have, both realize they've stumbled into something dangerous and complicated. With their friends and family desperately searching for them, Penny and John must make a daring escape. When they emerge back into the real world, they are confronted with a kidnapper who just won't stop. They must bring a powerful, ruthless man to justice, even as this city man and country woman fight a very inconvenient attraction to each other.

Whispering Man Henry Kitchell Webster,1917

The Whispering Man Henry Kitchell Webster,2021-08-03 The Whispering Man (1908) is a novel by Henry Kitchell Webster. Written at the height of Webster's career as a popular author of magazine serials, The Whispering Man is a story of romance, mystery, and murder. Filled with twists and complicated motives, The Whispering Man remains an underappreciated whodunnit over a century after it appeared in print. "It is strange that we should have been talking about Dr. Marshall that very night, I and my new friend and neighbor, across our little table in the restaurant. Talking about him we were, and at considerable length, too, before I bought the paper that had the news of his death in it." Out to dinner with his friend Arthur Jeffrey, a painter, Drew learns of the death of Dr. Roscoe Marshall, a prominent alienist, from natural

causes. Only moments before, they had been discussing Marshall's work in relation to Drew's expertise in legal evidence, to which Jeffrey had responded by detailing his portrait work for Marshall's wife. As it turns out, Madeline Marshall, née Cartwright, is a former love interest of Drew's, and the discussion has loosened a painful memory within him. Shocked by the news of the doctor's death, Drew looks across the dining room to find Marshall's son, who has come at his mother's request. In the cab back to their apartment, the young man has one word on his lips: murder. With a beautifully designed cover and a professionally typeset manuscript, this edition of Henry Kitchell Webster's *The Whispering Man* is a classic of American mystery fiction reimagined for modern readers.

The Shadows Alex North, 2021-09-28 The haunting new thriller from Alex North, author of the New York Times bestseller *The Whisper Man* You knew a teenager like Charlie Crabtree. A dark imagination, a sinister smile--always on the outside of the group. Some part of you suspected he might be capable of doing something awful. Twenty-five years ago, Crabtree did just that, committing a murder so shocking that it's attracted that strange kind of infamy that only exists on the darkest corners of the internet--and inspired more than one copycat. Paul Adams remembers the case all too well: Crabtree--and his victim--were Paul's friends. Paul has slowly put his life back together. But now his mother, old and senile, has taken a turn for the worse. Though every inch of him resists, it is time to come home. It's not long before things start to go wrong. Reading the news, Paul learns another copycat has struck. His mother is distressed, insistent that there's something in the house. And someone is following him. Which reminds him of the most unsettling thing about that awful day twenty-five years ago. It wasn't just the murder. It was the fact that afterward, Charlie Crabtree was never seen again.--
