The Nonsense Show Eric Carle, 2017-02-07 Silliness takes center stage in this laugh-out-loud book from the creator of *The Very Hungry Caterpillar*?--now available as a board book! Yes, there's something strange, something funny and even downright preposterous on every page of this book. But it's not a mistake – it's nonsense! Nonsense lies at the heart of many beloved nursery rhymes. Children readily accept odd statements like “the cow jumped over the moon” and “the dish ran away with the spoon.” This fanciful bending of reality is also basic to surrealism. In this book, nonsense and surrealism combine to spark creativity and imagination. What's true? What's impossible? What's absolutely absurd? From Eric Carle, creator of the classic, *The Very Hungry Caterpillar*, comes a book to make children laugh and think, preparing them for a lifetime of loving both words and art. Praise for *The Nonsense Show* A TIME Magazine Top 10 Children's Book of 2015! * Carle creates fun and laughter in this homage to the surrealist artist René Magritte. out and prompts questions and wonder.-Horn Book, starred review

From Head to Toe Board Book Eric Carle,1999-03-27 What does an elephant do? It stomps its foot. Can you? From the creator of such beloved classics as *The Grouchy Ladybug* and *The Mixed-Up Chameleon* comes this interactive story that invites kids to imitate animal movements. Watching giraffes bend their necks or monkeys wave their arms is fun, but nothing could be better than joining in. From their heads down to their toes, kids will be wriggling, jiggling, and giggling as they try to keep up with these animals! Alligators wiggle, elephants stomp, gorillas thump, and giraffes bend. Can you do it? 'I can do it!' is the confidence-building message of this fun-filled interactive picture book. A variety of familiar animals invite young children to copy their antics, and as they play, they will learn such important skills as careful listening, focusing attention, and following instructions. Just as alphabet books introduce the very young child to letters and simple words, *From Head to Toe* introduces the basic body parts and simple body movements. And in the same way that children progress from understanding simple words to reading and writing sentences and stories, so they will progress from simple body movements to dancing, gymnastics, and other sports and activities, with confidence and pleasure. Eric Carle's colorful collages have delighted children for more than a generation. Each book provides hours of fun while encouraging them to stretch their imaginations. His matchless words and illustrations now send out a new challenge: Are you ready? Here we go! Move yourself *From Head to Toe*. A Main Selection of the Children's Book-of-the-Month Club

Today Is Monday board book Eric Carle,2022-06-07 String beans, spaghetti, ZOOOOP, roast beef, fresh fish, chicken and ice cream are the delicious fare during the week in this popular children's song. Until Sunday. Then, all the world's children are invited to come together and share in the meal. Celebrated artist Eric Carle brings new energy to these much-loved verses as lively animals parade across the page, munching on favorite dishes, and introducing young readers to the names of the days of the week. Both art and song invite children to join in the procession and sing along.

The Art of Eric Carle Eric Carle,2021-03-09 Carle is one of the most beloved illustrators of children's books. This retrospective is more than just an appreciation of his art, however. The book also contains an insightful autobiography illustrated with personal photographs, an anecdotal essay by his longtime editor, a photographic essay on how Carle creates his collages, and writings by Carle and his colleagues. Still, it is the artwork in the oversize volume that seizes the imagination. More than 60 of his full-color collage pictures are handsomely reproduced and serve as a statement of Carle's impressive talent. - Booklist
