*After Ever Happy* Anna Todd, 2015-02-24 As the shocking truth about each of their families emerges, Tessa and Hardin's relationship is shaken to its very foundation, and Tessa is unsure if she can save Hardin from his own destructive behaviors.

**Stardom in Cinema, Television and the Web** Vanni Codeluppi, 2021-03-01 In the last 50 years, the social importance of stars has steadily grown, to the point that stars have now become key role models who strongly influence people's behaviours. This book considers the connections between the three main media (cinema, television and the web) and each of the three phases into which the history of stardom can be divided. The first phase can largely be credited with the creation and codification of contemporary stardom, while the second is linked to the spread of television, which weakened the Hollywood stardom model and gradually transformed the figure of the star, making it more intimate and familiar. In the last of these phases, we have many 'outsiders' (personalities from a variety of professional domains and experiences) who are able to achieve considerable social visibility thanks to their skilful use of the web.

We, Robots Curtis White,2015-11-03 In the tradition of Jaron Lanier's You Are Not a Gadget, a rousing, sharply argued—and, yes, inspiring!—reckoning with our blind faith in technology Can technology solve all our problems? Despite overwhelming evidence to the contrary, many of our most famous journalists, pundits, and economists seem to think so. According to them, “intelligent machines” and big data will free us from work, educate our children, transform our environment, and even make religion more user-friendly. This is the story they're telling us: that we should stop worrying and love our robot future. But just because you tell a story over and over again doesn't make it true. Curtis White, one of our most brilliant and perceptive social critics, knows all about the danger of a seductive story, and in *We, Robots*, he tangles with the so-called thinkers who are convinced that the future is rose-colored and robotically enhanced. With tremendous erudition and a punchy wit, White argues that we must be skeptical of anyone who tries to sell us on technological inevitability. And he gives us an alternative set of stories: taking inspiration from artists as disparate as Sufjan Stevens, Lars von Trier, and François Rabelais, White shows us that by looking to art, we can imagine a different kind of future. No robots required.

The After Collection Anna Todd,2020-10-20 From the New York Times bestselling author and Wattpad sensation Anna Todd, “the biggest literary phenom of her generation” (Cosmopolitan), comes the complete collection of her sizzling After

series—the inspiration behind the major motion picture *After*. *After*: Once she meets Hardin, good girl Tessa’s life will never be the same. He is rude, cocky, and the exact opposite of her reliable boyfriend back home—she should hate him, but then she finds herself alone with him one night. What follows is a passionate but tempestuous romance that turns Tessa’s usually calm and traditional world upside down. *After We Collided*: Tessa and Hardin’s tentative relationship takes a devastating turn when a dark secret from Hardin’s mysterious past surfaces. Can Tessa manage to move on and forge a new life for herself? Or will Hardin be able to change enough to win back his one true love? *After We Fell*: Hardin isn’t the only one with secrets. Everything Tessa thought she knew about her life goes up in smoke and she has no idea if Hardin will be willing to stay with her. Trapped in a seemingly unending cycle of jealousy and rage, neither has any idea if their passion is enough to keep their relationship alive. *After Ever Happy*: Each new challenge Tessa and Hardin face only makes their passionate bond stronger and stronger. But when a revelation about the past shakes Hardin’s impenetrable façade to the core—and then Tessa suffers a tragedy—will they stick together again or be torn apart? *Before*: The ups and downs of Tessa and Hardin’s relationship are explored by others in their lives before, during, and after the events of the series. Finally, Hardin reveals his own perception of his life with Tessa, which will completely change how you see the famous brooding boy and the angel who loved him.

**The Spring Girls** Anna Todd,2018-01-02 Four sisters desperately seeking the blueprints to life—the modern-day retelling of Louisa May Alcott’s *Little Women* like only Anna Todd (*After*, *Imagines*) could do. *The Spring Girls*—Meg, Jo, Beth, and Amy—are a force of nature on the New Orleans military base where they live. As different as they are, with their father on tour in Iraq and their mother hiding something, their fears are very much the same. Struggling to build lives they can be proud of and that will lift them out of their humble station in life, one year will determine all that their futures can become. The oldest, Meg, will be an officer’s wife and enter military society like so many of the women she admires. If her passion—and her reputation—don’t derail her. Beth, the workhorse of the family, is afraid to leave the house, is afraid she’ll never figure out who she really is. Jo just wants out. Wishing she could skip to graduation, she dreams of a life in New York City and a career in journalism where she can impact the world. Nothing can stop her—not even love. And Amy, the youngest, is watching all her sisters, learning from how they handle themselves. For better or worse. With plenty of sass, romance, and drama, *The Spring Girls* revisits Louisa May Alcott’s classic *Little Women*, and brings its themes of love, war, class, adolescence, and family into the language of the twenty-first century.

**The Falling** Anna Todd,2022-07-05 A new love story from the best-selling author of AFTER. Packed with Anna Todd's trademark tension, THE FALLING is page-turning slow-burn romance at its best. Twenty-year-old Karina is proud of the independent life she has created for herself in Fort Benning, Georgia. And like anyone who has grown up around an army base, Karina knows the background noise that follows men and women home from war. When she meets Kael, a handsome soldier on the cusp of discharge, she's immediately intrigued by his brooding presence and enigmatic silence. As their unexpected friendship turns into something more, Karina tries to piece together Kael's story: he is emotionally closed off, recovering from wounds and other trauma in the aftermath of two deployments in Afghanistan. Karina considers herself a fixer of broken things and has a strong desire to help Kael heal. She has an equally strong desire to trust him—even though it challenges her many insecurities and anxieties. But trust is fragile, and when it is broken, Karina and Kael find their relationship at an impossible crossroads. THE BURNING, the second book in The Brightest Stars trilogy, arrives summer 2023. "Anna Todd has done it again! With bold storytelling and deep compassion for her characters, no one delivers an emotionally satisfying read filled with vulnerability, desire, and dreams quite like Anna Todd. She's my go-to for a story I know I'll love and characters who live in the heart long after the last page is turned. – Colleen Hoover, NYT best-selling author of It Ends With Us
