

Color Purple Movie Quotes

Alan Pomerance

Purple Rising Lise Funderburg, Scott Sanders, 2023-11-07 One of Oprah's Favorite Things of 2023 Celebrate the 40th anniversary of the Pulitzer Prize-winning masterpiece *The Color Purple*—as well as the acclaimed 1985 film from Steven Spielberg, the Tony-winning Broadway musical, and the all-new film adaptation with this gorgeously designed exploration of the novel's enduring legacy, featuring contributions from Alice Walker, Oprah Winfrey, Steven Spielberg, Colman Domingo, Fantasia Barrino, Danny Glover, and more. Since its publication in 1982, *The Color Purple* has resonated with generations of readers across the globe. The novel catapulted author Alice Walker to international fame, brought Oprah Winfrey and Whoopi Goldberg acting acclaim in the 1985 film adaptation, and inspired theatrical productions around the world, including the Tony Award-winning Broadway musical. This cultural touchstone—which so profoundly touches on race, family, survival, spirituality, sisterhood, and love in all forms—continues to beget new iterations, most recently a feature film. Now, an in-depth exploration celebrates *The Color Purple*'s ever-expanding legacy as never before: *Purple Rising* features oral histories and fresh anecdotes based on more than fifty original interviews, as well as vibrant, never-before-seen images. It reveals the crucial real-life experiences that inspired the novel, and the transcendent humanity of its themes that continue to connect with audiences, each new adaptation speaking to the changing times and cultural contexts. Creators, actors, producers, activists, cultural critics, and well-known fans comment on the power of Walker's story and how it has affected their lives and artistic choices, including Whoopi Goldberg, Taraji P. Henson, Danielle Brooks, Halle Bailey, Blitz Bazawule, Jon Batiste, H.E.R., Salamishah Tillet, Ricky Dillard, Gabrielle Union, and many more. An insightful and vivid celebration of an enduring classic, *Purple Rising* is the ultimate gift for fans of all ages and a true celebration of Black joy, storytelling, and achievement.

The Women's Book of Movie Quotes Jeff Bloch, 1995

When Ties Break Margaret Norton, 2010-08 The day of my father's funeral, my brother expelled me from the family as my other family members stood by and did nothing. He was right about one thing. I had made some bad choices for which I would pay dearly. Divorce, abuse, abortion, excommunication, chronic illness, homelessness, death, bankruptcy, sibling rivalry, adultery, single parenthood, drug addiction, low self-esteem, depression—some people suffer from one or several of these in their life; others deal with them daily. What makes the story in *When Ties Break* different, exceptional, and inspirational is that the author has lived through each one of these challenging, sometimes terrifying problems. Through

God's help and her own courage and perseverance, Margaret not only thrived after loss but came out on top with a new energy, a renewed spirit, and a sense of worth.

Framing the Rape Victim Carine M. Mardorossian, 2014-05-13 In recent years, members of legal, law enforcement, media and academic circles have portrayed rape as a special kind of crime distinct from other forms of violence. In *Framing the Rape Victim*, Carine M. Mardorossian argues that this differential treatment of rape has exacerbated the ghettoizing of sexual violence along gendered lines and has repeatedly led to women's being accused of triggering, if not causing, rape through immodest behavior, comportment, passivity, or weakness. Contesting the notion that rape is the result of deviant behaviors of victims or perpetrators, Mardorossian argues that rape saturates our culture and defines masculinity's relation to femininity, both of which are structural positions rather than biologically derived ones. Using diverse examples throughout, Mardorossian draws from Hollywood film and popular culture to contemporary women's fiction and hospitalized birth emphasizing that the position of dominant masculinity can be occupied by men, women, or institutions, while structural femininity is a position that may define and subordinate men, minorities, and other marginalized groups just as effectively as it does women. Highlighting the legacies of the politically correct debates of the 1990s and the terrorist attacks of 9/11, the book illustrates how the framing of the term "victim" has played a fundamental role in constructing notions of agency that valorize autonomy and support exclusionary, especially masculine, models of American selfhood. The gendering of rape, including by well-meaning, sometimes feminist, voices that claim to have victims' best interests at heart, ultimately obscures its true role in our culture. Both a critical analysis and a call to action, *Framing the Rape Victim* shows that rape is not a special interest issue that pertains just to women but a pervasive one that affects our society as a whole.

Color Purple & All That Jazz!: African American Achievements in the Arts Carole Marsh, 2011-03-01 Kids will learn how black art is used to share ideas, communicate feelings, and impart wisdom, and how creativity brings joy and inspiration to our lives. And, most importantly, how it isn't limited to famous or the talented-you, to can be an artist! This 35-page reproducible book is a sampling of the talent from the past and present. One of the most wonderful things you'll discover is that some of the sweetest words come from the simplest things said by people who were not necessarily professionals. And professional or amateur, black art, like the color purple, is for sharing. We are all grateful for the contributions made and the joy they have brought to our lives.

Mental Floss: The Curious Reader Erin McCarthy, Mental Floss, 2021-05-25 With sumptuous, visually stimulating spreads, this book delivers on its promise- to unearth strange stories, bizarre facts, or unexpected details about the books on our shelves. Good for curious readers, whether they want to delve into authors and books they love, feel competent faking knowledge about books everyone else seems to have read, or just dip into and out of literary worlds - Library Journal Readers rejoice! From Mental Floss, an online destination for more than a billion curious minds since its founding in 2001, comes the

ultimate book for lovers of literature. From *Americanah* to *War and Peace*, from Chinua Achebe and Jane Austen to Jesmyn Ward and George R.R. Martin, learn surprising facts about the world's most famous novels and novelists. *The Curious Reader* will delight bookworms everywhere. This literary compendium from Mental Floss reveals fascinating facts about the world's most famous authors and their literary works. Readers will learn about George Orwell's near-death experience during the writing of *1984*; meet the real man who may have inspired *Pride and Prejudice*'s Mr. Darcy; discover which famous author kept her husband's heart after he passed away; and learn about the influence of psychedelics on *Dune*. *The Curious Reader* also contains the most-loved book-related articles from 20 years of Mental Floss, including "Cat-Loving Writers," "Famous Authors' Unfinished Manuscripts," "Literary Characters Based on Real People," and "Books You Didn't Know Were Self-Published." This literary miscellany is certain to inspire book lovers, aspiring writers, students, and teachers alike to discover a diverse selection of curated literary works—leading to an expansion of their library!

The Dictionary of Film Quotations Melinda Corey, George Ochoa, 1995 The first book to gather lines from more than 1,000 all-time, classic films in one volume, this handy dictionary is a perfect source for movie buffs or quotation users. Alphabetized by movie with special indices by speaker, subject, and key word. Each entry features studio, director, scriptwriter, principal cast, and speaker.

Fight Like a Girl Laura Barcella, 2019-08-01 Nearly every day there's another news story or pop cultural anecdote related to feminism and women's rights. #YesAllWomen, conversations around consent, equal pay, access to contraception, and a host of other issues are foremost topics of conversation in American (and worldwide) media right now. Today's teens are encountering these issues from a different perspective than any generation has had before, but what's often missing from the current discussion is an understanding of how we've gotten to this place. *Fight Like a Girl* will familiarize readers with the history of feminist activism, in an effort to celebrate those who paved the way and draw attention to those who are working hard to further the cause of women's rights. Profiles of both famous and lesser-known feminists will be featured alongside descriptions of how their actions affected the overall feminist cause, and unique portraits (artist's renderings) of the feminists themselves. This artistic addition will take the book beyond simply an informational text, and make it a treasure of a book.

The Films of Steven Spielberg Neil Sinyard, 1986 Descriptions of Steven Spielberg's films

Steven Spielberg's Children Linda Ruth Williams, 2025-08-12 Why has Steven Spielberg's work been so often identified with childhood and children? How does the director elicit such complex performances from his young actors? *Steven Spielberg's Children* is the first book to investigate children, childhood, and Spielberg's employment of child actors together and in depth. Through a series of lively readings of both the celebrated performances he elicits from his young stars in films such as *E.T.: The Extra Terrestrial*, *A.I.: Artificial Intelligence*, and *Empire of the Sun*, as well as less discussed roles in films

such as *War of the Worlds*, *The BFG*, and *Jurassic Park*, this book shows children to be key players in the director's articulation of childhood since the 1970s. Steven Spielberg's *Children* presents children and childhood in some surprising ways, not only analyzing boyhood and girlhood according to Spielberg, but considering children as alien, adult-children who refuse to grow up, and children who aren't even human. It discusses the way in which children have served to cast Spielberg as a sentimentalist, but also how they are more frequently framed as complex, cruel, and canny. The child might be dangled as bait in an exploitation horror scenario (*Jaws*), might become the image of universal higher beings (*Close Encounters of the Third Kind*), or might be a young cultural creator like the director was himself (*The Fabelmans*), born with a camera glued to [his] eye. The child, on both sides of the camera, is a resonant image, signifying all that adult culture wants it to be, yet resisting this through authorship of their own stories. The book also looks at Spielberg's young actors in the long history of child stars in theater and cinema, and how Spielberg's children have fared as performers and celebrities.

The Quill ,1986

Smileage Mike Nolan,1997 Fun travel games and activities for all ages.

Video Movies Worth Watching David Veerman,1992 At last, a way to pick out a good movie without wondering what parts might surprise you half way through. This guide helps parents or youth leaders choose appropriate videos, but its primary intent is to show how films can be used in teaching truths. Reviews include underlying themes of films and more.

The Playbill Broadway Yearbook Robert Viagas,Amy Asch,2007-08-01 Many people who work on Broadway keep scrapbooks of their experiences, with photos, signed posters, ticket stubs, and of course Playbills. Playbill Books has expanded this idea into an annual project that is becoming a Broadway institution: *The Playbill Broadway Yearbook*. Taking the form of a school yearbook, the third edition is packed with photos and memorabilia from the 2006-2007 Broadway season. The new edition includes chapters on all 67 Broadway shows that ran during the season - new shows like *Curtains* and *Spring Awakening* as well as long-running ones like *Wicked*. In addition to headshots of all the actors who appeared in Playbill, the book has photos of producers, writers, designers, stage managers, stagehands, musicians - even ushers. The *Playbill Broadway Yearbook* also has a correspondent on each production to report on inside information: opening-night gifts, who got the Gypsy Robe, daily rituals, celebrity visits, memorable ad-libs, and more. Correspondents range from dressers and stage doormen to stage managers, dancers, featured players, and even stars of the shows.
