

Guitarra Adios Pueblo De Ayacucho

Serafina Chuchón Huamaní

Oficial de la Guardia Imperial desterrado busca el cielo para su hijo y otros cuentos Elena Portocarrero,2008

La guitarra en el Perú Octavio Santa Cruz,2004

Historia de la cumbia peruana Jesús Cosamalón,2022-09-01 Este libro cuenta la historia de la transformación de la cumbia colombiana, desde su llegada al Perú en los años cincuenta hasta su consagración con la denominada chicha dos décadas después. Músicos, disqueras y público consumidor se encargaron de llevar adelante este dinámico desarrollo musical. La nueva sonoridad se caracterizó por un modo particular de emplear la guitarra eléctrica, que dio a la cumbia peruana su toque original. El autor recorre los éxitos más importantes, los artistas y los grupos que hicieron época, y el contexto social y económico que propició la consolidación de la nueva corriente musical.

Music in Latin American Culture John Mendell Schechter,1999 Music in Latin American Culture: Regional Traditions provides an in-depth look at the diverse musical cultures of South America, Central America, Mexico, and the Caribbean in a format geared for the undergraduate. Each chapter, written by an expert in the field, focuses on a specific musical culture while offering students a solid foundation for further study. Authors present the community, its history, common dialect, traditions, and newer forms of musical expression. Music rituals, instrument manufacturing processes, and improvisational techniques all come alive through the authors' own observations of the cultures they have studied firsthand. --
