Maya Angelou is famous for her series of seven autobiographies, which focus on her childhood and early adult experiences. How to Be a Legendary Teacher Adam Procriv,2019-04-16 Adam Procriv learned quickly that the energy he exuded in the classroom had a huge impact on the young children he was teaching. In *How to be a Legendary Teacher*, he explores how educators can inspire students and help them learn, starting with the way they approach each day. As a teacher, your primary role is to create good energy, which can be as simple as your body language. Ask yourself if you are a teacher you'd enjoy being taught by—and if the answer is no—then do some soul searching. Throughout this guide to being a better teacher, you'll learn how to: • spark meaningful conversations among students; • engage students in creative projects that promote learning; • decide if you went into teaching for the right reasons and if you should stay; and • navigate the numerous obstacles to teaching. The teaching game is a process of trial and error, and while some lucky souls have a natural flare for the profession, others don't. But just like anything in life, success doesn't necessarily come to those with the most talent but to those with the will and determination to be a legendary teacher.

My (Part-Time) Paris Life Lisa Anselmo,2016-10-11 Poignant, touching, and lively, this memoir of a woman who loses her mother and creates a new life for herself in Paris will speak to anyone who has lost a parent or reinvented themselves. Lisa Anselmo wrapped her entire life around her mother, a strong woman who was a defining force in her daughter's life--maybe too defining. When her mother dies from breast cancer, Lisa realizes she hadn't built a life of her own, and struggles to find her purpose. Who is she without her mother--and her mother's expectations? Desperate for answers, she reaches for a lifeline in the form of an apartment in Paris, refusing to play it safe for the first time. What starts out as a lurching act of survival sets Lisa on a course that reshapes her life in ways she never could have imagined. But how can you imagine a life bigger than anything you've ever known? In the vein of *Eat, Pray, Love* and *Wild*, *My (Part-time) Paris Life* a story is for anyone who's ever felt lost or hopeless, but still holds out hope of something more. This candid memoir explores one woman's search for peace and meaning, and how the ups and downs of expat life in Paris taught her to let go of fear, find self-worth, and create real, lasting happiness--
