Hotel of Secrets Diana Biller,2023-03-28 Diana Biller's *Hotel of Secrets* is chock full of banter-filled shenanigans, must-have-you kisses, and romance certain to light a fire in the hearts of readers everywhere. During ball season, anything can happen— even love. It's ball season in Vienna, and Maria Wallner only wants one thing: to restore her family's hotel, the Hotel Wallner, to its former glory. She's not going to let anything get in her way - not her parents' three-decade-long affair; not seemingly-random attacks by masked assassins; and especially not the broad-shouldered American foreign agent who's saved her life two times already. No matter how luscious his mouth is. Eli Whittaker also only wants one thing: to find out who is selling American secret codes across Europe, arrest them, and go home to his sensible life in Washington, DC. He has one lead - a letter the culprit sent from a Viennese hotel. But when he arrives in Vienna, he is immediately swept up into a chaotic whirlwind of balls, spies, waltzes, and beautiful hotelkeepers who seem to constantly find themselves in danger. He disapproves of all of it! But his disapproval is tested as he slowly falls deeper into the chaos - and as his attraction to said hotelkeeper grows. A beautifully researched and emotionally complex experience, *Hotel of Secrets* is an opulent slice of Viennese tradition as rich as a torte and as layered as a complicated line of Strauss. With intrigue and danger that nips on the heels of its luscious waltz, Biller's lush and atmospheric escape is dolloped with romance and the deep, complicated and sigh-worthy characters that always shoot her to the top of my auto-buy list. - Rachel McMillan, author of *The Mozart Code*

Let's Call a Truce Amy Buchanan,2025-01-14 LET'S CALL A TRUCE is a sexy contemporary romance about second chances at life and love, bursting with humor and a touch of angst from debut author, Amy Buchanan. After Juliana Ryan's husband dies unexpectedly, leaving her with two grieving kids and a stunted career from years as a stay-at-home mom, she has no choice but to make it work all on her own. But her confidence crashes around her when she overhears her condescending but infuriatingly attractive new colleague, Ben Thomas, talking about how her kids and inexperience are a liability the company can't afford. This sets off a feud between the two, as Juliana vows to prove him wrong. Two years later,

their feud rages on, but it may be charged with something they aren't willing to admit. When they are forced onto a career-making project together, Juliana has no choice but to call a truce. As their lives become more intertwined in and out of the office, Juliana finds it hard to ignore Ben's perpetual smile and charming determination. What started as a truce grows into more, as boardroom-clearing arguments turn to desk-clearing kisses. Could the man she deemed her nemesis understand her life—her stress and responsibilities—better than anyone? But just when Juliana decides to open her heart again, Ben's past threatens their newfound bliss, and she has to figure out whether this second chance at love is worth it after all.
