Sun Seekers Rachel McRady, 2024-01-11 ** From Emmy Award-winning writer Rachel McRady comes a vital, illuminating debut novel about memory, storytelling and a broken family uniting in the face of a terrifying crisis. ** Six-year-old Gracie Lynn is perpetually curious and bighearted. Convinced she knows how to save her beloved grandfather John from the 'worm' that is eating his brain - a metaphor her mother once used to explain John's dementia and sundown syndrome - Gracie helps him break out of his nursing home, and the two disappear together on a quest to chase the sun. But what's an adventure for Gracie is a nightmare scenario for her estranged parents, LeeAnn and Dan. There's no way to predict where John might have taken their young daughter, or if he's capable of keeping her safe. An emotionally resonant novel, *Sun Seekers* artfully explores the truths of parenthood, the ways in which we sometimes hurt those we love most and the universal experience of deep loss - even when the person is still here. Perfect for fans of Fredrik Backman, Clare Pooley, Mark Haddon and Nicholas Sparks, as well as the hit TV series *Parenthood* and *This Is Us* PRAISE FOR *SUN SEEKERS* 'A heartwrenching tribute to familial trauma, guilt and loss, *Sun Seekers* makes for a captivating, beautiful holiday read' - Daily Mail 'In her impactful debut, Rachel McRady explores the intricate dynamics of a fractured family. Through multiple perspectives, she paints a poignant portrait of the complexities of relationships that resonate with us all' - Jo Piazza, author of *We Are Not Like Them* 'A vivid and often wise exploration of grief, told through the lens of alternating narrators... *Sun Seekers* explores how we grieve and who we love, despite our struggles to maintain a brave front in the aftermath of great loss' - Jaimee Wriston, author of *How Not to Drown* 'Sun Seekers is my favorite type of novel: beautifully written prose delivering deep truths about family and the nature of grief. I absolutely loved it. An incredible debut by a writer to watch' - Brenda Janowitz, author of *The Grace Kelly Dress* 'Rachel McRady's debut novel depicts the fabric of family dynamics in the voices of well-developed engaging characters. The emotional connections across multi-generations are genuine and kept me turning pages until the finale' - Suzanne Leopold, Suzy Approved Book Reviews 'Magnificent... A beautiful tribute to the suffering and hard-earned growth of these characters' - Booklist

The Broadway Song Companion David P. DeVenney, 2000-01-01 The *Broadway Song Companion* is the first complete guide and access point to the vast literature of the Broadway musical for the solo performer. Designed with the working actor in mind, the volume lists every song from over 210 Broadway shows, giving the name of the character(s) who sing(s) the

song, its exact vocal range, and categorizing each by song style (uptempo, narrative ballad, swing ballad, moderate character piece, etc.). A number of indexes to the volume list titles of songs, first lines, composer's and lyricist's names, and each song by voice type. For instance, a soprano looking for a ballad to sing will find every song in that category in the index. All solos, duets, and trios are indexed in this manner, with quartets and larger ensembles listed by voice type. Furthermore, the instant breakdowns (how many lead characters, who sings what song, and the range requirements of each character) will be a valuable resource to directors and producers.

The New Broadway Song Companion David P. DeVenney, 2009-07-29 This is a completely revised and expanded second edition of The Broadway Song Companion, the first complete guide and access point to the vast literature of the Broadway musical for the solo performer. Designed with the working actor in mind, the volume lists every song from over 300 Broadway shows, including at least 90 more than the first edition. Organized by show, each song is annotated with the name of the character(s) who sing(s) the song, the vocal range, and a style category, such as uptempo, narrative ballad, swing ballad, moderate character piece, etc. Several indexes are supplied, organizing the songs by voice type (soprano, baritone, etc.) and song style, vocal arrangement (duets, trios, chorus, etc.), and composer and lyricist, allowing increased access to the repertoire. For instance, a soprano looking for a ballad to sing will find every song in that category in the index. All solos, duets, and trios are indexed in this manner, with quartets and larger ensembles listed by voice type. Furthermore, the instant breakdowns (how many lead characters, who sings what song, and the range requirements of each character) will be a valuable resource to directors and producers.

Richard Rodgers Geoffrey Block, 2008-10-01 Richard Rodgers was an icon of the musical theater, a prolific composer whose career spanned six decades and who wrote more than a thousand songs and forty shows for the American stage. In this absorbing book, Geoffrey Block examines Rodgers's entire career, providing rich details about the creation, staging, and critical reception of some of his most popular musicals. Block traces Rodgers's musical education, early work, and the development of his musical and dramatic language. He focuses on two shows by Rodgers and Hart (A Connecticut Yankee and The Boys from Syracuse) and two by Rodgers and Hammerstein (South Pacific and Cinderella), offering new insights into each one. He concludes with the first serious look at the five neglected and often maligned musicals that Rodgers composed in the 1960s and 1970s, after the death of Hammerstein.

Secret Tear Silia Loren, 2017-09-05 My promise to Jesus and understanding my message. I realize the Lord has allowed me to experience, endure and witness a great deal by protecting me all these years. My message is to enlighten society by using my past as an example of belief, faith and wisdom. Greatness of good is a gift from God. Evil is a powerful force of nature. Society will use the phrase, It's human nature as an excuse for any wrong doings towards anyone who has an identity crisis. But, is it human nature or just an evil act of malice behavior depending on the person? My opinion is goodness in

people hearts are being de-sanitized by the strength of evil only if allowed. Be real to yourself by being yourself. Having faith will carry you through the challenges of life. Remember, An anger mind is the devil's workshop. I always say, Great people who represent good may pay the ultimate price on earth. But, the Lord's reward is life everlasting spirit in heaven.
