What does folklore and history say about the day you were born? Uncover the answers within *Your Birthday*, your complete resource for understanding the role your birth date plays in every facet of life, using: Sun Signs in Western Astrology Asian Zodiac Signs Ancient Egyptian Decans Vedic Astrology Numerology Tarot Reading The book's first half incorporates monthly and day-by-day chapters, allowing for the study of birthdays from all angles. Each date-based entry also touches on the significance of the day in popular culture, showing not just the mystical but the social resonances of birthdays. Readers will discover celebrities who share their birthday month, day, and sign, as well as in-depth discussions of birthstones, birth flowers, emblematic animals, and Native American Moon correspondences for each month. In the second half of the book, readers will gain a wholly unique understanding of their birthday through a nuanced and specific discussion of tarot. Each of the 78 cards is explored in-depth and contextualized within its appearance within birthday-specific tarot spreads. Further parallels are drawn between birthday readings and the specific imagery and history of Pamela Colman Smith's iconic Rider-Waite-Smith deck. Anyone looking to understand themselves, their friends, family, coworkers, and more will find endless insights within *Your Birthday*.

**Four Pillars of Destiny** Jerry King, 2011-04-28 Why do we attract the same types of people over and over again? Why is it so easy for certain people to find love, and so difficult for others? *The Four Pillars of Destiny: A Guide to Relationships* answers the age-old questions surrounding relationships, attractions, and true love. By referencing the year, month, day, and hour of a person's birth, the ancient Chinese method of Four Pillars will systematically map the blueprint for his or her life in matters of health, wealth, career, love, and happiness. For countless generations, the Chinese have been drawn to the Four

Pillars system for its accurate method of divination. This system has allowed practitioners the ability to analyze many aspects of a person's life and enlightened the path to capitalizing their cosmic flow when good luck happens. The destiny blueprint each of us receives at birth can be used to reveal options and paths that we can act upon during good and bad times in life. Using this blueprint, we can evaluate where our limits lie and understand what we truly are capable of achieving, as well as the type of connections that we can make with those around us.
