**Classic Book Reviews and Timely Stories** Charles J. Scott, 2021-04-07 Classic Book Reviews and Timely Stories By: Charles J. Scott We all want to learn from perceptive, intelligent, and experienced individuals we admire so that we may live better lives ourselves. Obviously, we need good guidance and a positive influence on our thought processes for this purpose. That's why we read great books from knowledgeable sources and listen to our role models. Because he likes to reflect on the

books he has read and incorporate the favorable impressions they have made on him into his daily activities, author Charles Scott developed the habit of writing a series of book reviews and short stories to commemorate the occasion. The reviews have provided him with a diving platform, or a jumping-off point of departure, for making sound decisions and evaluating his actions. Consequently, the resulting stories represent a celebration of the life and times in which he has lived. They are meant to celebrate humanity in an otherwise uncertain world throughout the ages.

More Than a Doll Jodi Bondi Norgaard, 2025-01-21 When Jodi Bondi Norgaard, an experienced entrepreneur, attempted to shake-up the toy industry with a sports doll that appeals to today's more athletic, adventurous girls, she came to realize the roadblocks to success weren't only reluctant toy buyers, but a patriarchal culture that perpetuates gender roles and sexism. *More Than a Doll* is about her mission to break gender stereotypes and challenge the status quo. Through illuminating testimonials, data, research, interviews, and cultural observations, readers will come away with clear examples of the dangers of early gender stereotyping and how we continue to fail to see the harm. After all: "It's just a toy." "It's just a t-shirt." "It's just a show." Bondi Norgaard is sounding the siren that gender inequality doesn't begin in our teens, it begins the moment a child can hold a toy or book or watch a screen. The programming starts early, and the impact is lifelong.
