Leave a Cheater, Gain a Life Tracy Schorn, 2016-05-10 A no-nonsense self-help guide for anyone who has ever been cheated on. Offering advice not based on saving your relationship after infidelity, but saving your sanity.

Summary of Leave a Cheater, Gain a Life SellWave Audio, 2025-10-19 *Leave a Cheater, Gain a Life* is the no-nonsense self-help guide for anyone who has ever been cheated on. Instead of focusing on rescuing a broken relationship, this book is about saving your sanity, restoring your self-respect, and rebuilding a stronger, brighter future. Too often, conversations around infidelity center on the cheater—their unmet needs, their struggles with commitment, their excuses. Tracy Schorn, also known as Chump Lady, flips the script with biting humor and honesty, shifting the focus back to where it belongs: the betrayed partner. Packed with practical advice, the book dismantles the myths and blameshifting that cheaters rely on, while offering clarity and validation for the one left reeling. With snark, sass, and real-world wisdom, Schorn covers everything from the absurd things cheaters say and how to respond, to the rookie mistakes of the recently betrayed and how to avoid them. She shows you why it's never your fault, how to set boundaries, and how to protect yourself emotionally and practically as you move forward. *Leave a Cheater, Gain a Life* isn't just a survival guide—it's a roadmap to healing and thriving. Schorn is the brutally honest, supportive friend who gets you through the heartbreak and reminds you that betrayal isn't the end of your story, but the start of a better, stronger one.

Summary of Tracy Schorn's *Leave a Cheater, Gain a Life* Everest Media, 2022-03-25T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The chump is the dullard whose inadequacies drove the cheater into another's arms. The chump is the co-conspirator who Must Have Known and had some tacit arrangement with the cheater. The chump is the failure who wasn't meeting the cheater's needs. #2 You don't deserve to be cheated on. It's not your fault that your partner is unhappy. The choices your cheater makes are 100 percent their own. #3 Chump blame is the act of trivializing the pain and suffering that comes from being cheated on. It faults trusting and believing in the commitments made to you, and it makes you feel foolish for having loved someone so unrequitedly. #4 The majority of infidelity resources promote the idea that you can save your marriage alone. They ignore the fact that many therapists still don't understand how personality disorders affect relationships.

Leave a Cheater, Gain a Life Tracy Schorn, 2016-05-10 *Leave a Cheater, Gain a Life* is a no-nonsense self-help guide for

anyone who has ever been cheated on. Here's advice not based on saving your relationship after infidelity -- but saving your sanity. When it comes to cheating, a lot of the attention is focused on cheaters -- their unmet needs or their challenges with monogamy. But Tracy Schorn (aka Chump Lady) lampoons such blameshifting and puts the focus squarely on the-cheated-upon (chumps) and their needs. Combining solid advice that champions self-respect, along with hilarious cartoons satirizing the pomposity of cheaters, *Leave a Cheater, Gain a Life* offers a fresh voice for chumps who want (and need) a new message about infidelity. This book will offer advice on Stupid sh*t cheaters say and how to respond, Rookie mistakes of the recently chumped and how to disarm your fears, Why chumps take the blame and how to protect yourself, and more. Full of snark, sass, and real wisdom about how to bounce back after the gut blow of betrayal, Schorn is the friend who guides you through this nightmare and gives you hope for a better life ahead.

How to Heal a Broken Heart Rosie Green, 2021-02-11 'The poster girl for divorce.' The Times 'If you've ever had your heart broken (and who hasn't) Rosie Green's *How to Heal a Broken Heart* is your best friend. Honest, comforting and hopeful.' MARIAN KEYES 'I love Rosie Green's writing.' ELIZABETH DAY 'Brilliant. One of the few books that I've found that really describes what a broken heart feels like. It touched so many nerves.' VANESSA FELTZ 'It reduced me to tears.' EMMA BARNETT, *Woman's Hour*, BBC Radio 4 'It wasn't a conscious uncoupling. I had my heart ripped out and stamped on.' When Rosie Green's husband walked out after 26 years together, he declined to leave a forwarding address. Instead, he left a devastated woman who turned into someone she barely recognised: unable to eat or sleep, and so desperate to keep her family together she'd sacrifice her sense of self - and her dignity. She thought she'd never get over it. But she did. And so can you. This is the frank, uplifting and insightful book Rosie wished she could have found when her whole world fell apart. Here's your guide to getting through it - with advice from the experts, with the help of your friends, with a deliciously dark sense of humour and, for Rosie, with some highly inappropriate sex advice from her pre-teen daughter. Let her brilliantly honest handbook show how you can heal faster, understand yourself better and move on. *How to Heal a Broken Heart* doesn't sugarcoat it - heartbreak brings you to your knees. But, sometimes, it also gives you a necessary shove towards a happier, more fulfilled life than you ever dreamed was possible.

Cheated On David Derksen, 2018-11-12 Cheated on? Abused? Abandoned? Divorced? Overwhelmed by religious rules and condemnation about how you are to handle these relationship traumas? This book is for you. Written by a Yale-educated, Board Certified Chaplain (BCC) who survived his first wife's adultery, a divorce, and an ecclesiastical trial to keep his ministerial credentials, *Divorce Minister* is here to help you navigate the trouble waters of infidelity discovery and keep your faith. Testimonials: The Christian world is theologically bankrupt in its teachings on divorce, infidelity, abandonment, and abuse. 'Don't divorce, ever, for any reason, ' false teachers insist, and so they ensnare the abused and condemn survivors who had the courage to leave their abusers. *Divorce Minister* adeptly dismantles Christian false teachings on divorce with

compassionate, biblical truth. A much-needed voice. - Bridget Jack Jeffries, Weighted Glory (www.weighted-glory.com/) Having led divorce recovery groups in churches for many years I appreciate the unique insight and potential for healing DM brings to the victims of adultery. He deftly dissects 'The Shared Responsibility Lie' to provide a path towards healing for faithful spouses. DM's work has helped me personally and made me more effective as a divorce recovery leader. Highly recommended for pastors, lay leaders and men and women struggling with the conflicting messages they receive about adultery. -Loren Haas, lay leader at CrossWalk Community Church, Napa, CA Divorce Minister has a unique voice in the infidelity discourse - he's the rare evangelical Christian who actually believes cheating is the sin, not divorce. If you're looking for a theological perspective to leave an abusive relationship, if you seek judgement of wrong-doing, and comfort from victim-blaming, Divorce Minister is your man. This is important work. God bless David Derksen for taking it on. -Tracy Schorn (aka Chump Lady) blogger at chumplady.com and author of *Leave a Cheater, Gain a Life: The Chump Lady's Survival Guide*

Cheating is Disgusting Sue Jo Horton, 2024-04-02 Most people have a misconception about cheating – the onus largely falls on men being the ones responsible for it. As a result, they're often treated with much more leniency than women who cheat. They tend to face far more dire consequences than their masculine counterparts. However, Sue Jo Horton, also known as, Sujo, is here to show that cheating is wrong, regardless of one's gender. *Cheating is Disgusting* is an autobiographical account of her life. A retired hairdresser, Sue spent most of her formative years seeing her father treat her mother poorly and vowed never to become like her or let men treat her like that. However, while growing up with a cheating father, Sue didn't realize how his habits, unintentionally, translated into her own and affected her relationships later in life. *Cheating is Disgusting* is her story. It gives one a raw look into Sue's life as she bares it all in this daring account in the hopes that readers can learn from her mistakes and avoid them in their own lives.

Cheating Mia Consalvo, 2007 In *Cheating*, Mia Consalvo investigates how players choose to play games and what happens when they can't always play the way they'd like. She explores a broad range of player behavior, including cheating (alone and in groups); examines the varying ways that players and industry define cheating; describes how the game industry itself has helped systematize cheating; and studies online cheating in context in an online ethnography of *Final Fantasy XI*.-- Jacket.
