GOLDEN WORDS OF GOLDA MEIR Akṣapāda, Golden Words of Golda Meir: Quotes of the Rugged Female ex-Prime Minister Who said that women can't administer a country? Golda Meir known as the 'Iron Lady' of Israel, changed the traditional norms and emerged as the fourth Prime Minister of Israel. It was her thoughts and determination that helped her to fight against all odds. As an active Zionist, she fought for a Jewish homeland in Palestine. Before becoming the Prime Minister she served as the Minister of Labor and Foreign Affairs of Israel. The accomplishments that she made during her tenure will be marked in golden words in the history of Israel politics. This book, 'Golden Words of Golda Meir: Quotes of the Rugged Female ex-Prime Minister' will help you to know more about the influential life of Golda Meir. Along with her life story we have made an attempt to include some of her famous and inspirational quotes.

Jewish Culture and Identity in the Soviet Union Yaacov Ro'i,Avi Beker,1991 Over ten years ago, Benjamin Fain, a physicist now living in Tel Aviv, attempted to hold a conference on Jewish culture in Moscow, an effort that was foiled by the KGB. Many of the participants were eventually able to flee, most emigrating to Israel. In this book, these distinguished scholars and others from around the world present their personal and professional views of Jewish culture in the Soviet Union. The book explores a wide range of topics, including underground literature, religious revival, and the rise of a national Jewish consciousness. Some writers claim that the refuseniks are not the leaders of the Soviet Jews but rather an isolated minority, with most Jews being assimilated, acculturated, and uninterested in fleeing. Other essayists look at the ambivalent role traditionally played by the Soviet Union in both allowing some forms of cultural expression and suppressing any efforts at individual religious practice. Others explore the revival of Jewish culture as instanced by underground teaching of Hebrew. A major debate involves the Nature of Jewish emigration, whether the Jews will go to Israel or to America.

Articulations of Resistance Sirène H. Harb,2019-11-11 Using a theoretical framework located at the intersection of US ethnic studies, transnational studies, and postcolonial studies, Articulations of Resistance: Transformative Practices in

Contemporary Arab-American Poetry maps an interdisciplinary model of critical inquiry to demonstrate the intimate link and multilayered connections between poetry and resistance. In this study of contemporary Arab-American poetry, Sirène Harb analyzes how resistance, defined as the force challenging the dominant, intervenes in ways of rethinking the local and the global vis-à-vis traditional paradigms of time, space, language and value.

Between The Suns Justin White,2018-12-25 Justin White's memoir takes us on a journey from the Virginia suburbs to the cloistered precincts of Israel's Sephardic ultra-orthodox. Along the way, he experiences a cross-section of Israeli life, working in Israel's high-tech sector and attending some of the country's most prestigious universities as well as learning and living in the ghetto-like neighborhoods of the extremely religious. Many of the characters he meets, religious or secular, Sephardic or Ashkenazi, immigrant or native-born, have, in common with the State of Israel itself, the quality of being neither here nor there, caught between different worlds, living in that liminal space between the suns where, according to mystical lore, nothing is quite real and anything is possible. And so this record of one man's time in Israel provides us with a glimpse into the conflicts-between religious and secular, high-tech and Torah, European and Arab-that roil Israeli society and whose resolution will determine the fate of the Land and its people.

Disaster Nationalism Richard Seymour,2025-10-28 Liberal civilisation is in crisis - now is a time of monsters. While the spotlight often shines on the actions of charismatic right-wing leaders such as Donald Trump and Jair Bolsonaro, defeating these people will not stem the tide behind them. They are the embodiment of profound forces that are rarely understood. With meticulous analysis and compelling storytelling, Richard Seymour delves into the ideologies fueling the contemporary right and distorting modern politics into something abhorrent and nihilistic. The battle against disaster nationalism is not just political; it is a struggle for our collective soul and the future of civilization.
