**The Persephone Myth in Young Adult Fiction** Cristina Salcedo González, 2024-12-12 Investigating the widespread but understudied presence of the Persephone myth within 21st-century young adult literature, Cristina Salcedo González analyses six young adult novels which incorporate a reworking of this ancient Greek myth. Through the identification of mythic themes ('mythemes') and patterns within these novels, González shows that these works evoke the female life cycle and develop current perceptions of the female maturational experience. As a result, Salcedo González makes an important contribution in establishing the cultural significance of young adult literature in the world of classical reception. These novels, all written by women, also inflect or interpret the myth in ways influenced by their contemporary contexts, specifically the impact of the novels' target readership on the aspects of the myth that are either emphasised (e.g. Persephone's descent into the underworld; her existence there; and her re-ascent) or de-emphasised (e.g. the mourning and wanderings of Demeter). This book makes original methodological contributions – through its innovative dual perspective of myth criticism and classical reception – to our understanding of the academically neglected genre of young adult literature and the reception of the myth of Persephone. As a result, Salcedo González significantly contributes to establishing the cultural significance of young adult literature within the realm of classical reception.

**A Court of Wings and Ruin** Sarah J. Maas, 2017-05-02 The epic third novel in the #1 bestselling Court of Thorns and Roses series by global phenomenon Sarah J. Maas. Feyre has returned to the Spring Court, determined to gather information on Tamlin's actions and learn what she can about the invading king threatening to bring her land to its knees. But to do so she must play a deadly game of deceit. One slip could bring doom not only for Feyre, but for everything-and everyone-she holds dear. As war bears down upon them all, Feyre endeavors to take her place amongst the High Fae of the land, balancing her struggle to master her powers-both magical and political-and her love for her court and family. Amidst these struggles,

Feyre and Rhysand must decide whom to trust amongst the cunning and lethal High Lords, and hunt for allies in unexpected places. In this thrilling third book in the #1 bestselling series from Sarah J. Maas, the fate of Feyre's world is at stake as armies grapple for power over the one thing that could destroy it.

**A Court of Mist and Fury** Sarah J. Maas, 2016-05-03 The seductive and stunning #1 bestselling sequel to Sarah J. Maas's spellbinding *A Court of Thorns and Roses*. Feyre has undergone more trials than one human woman can carry in her heart. Though she's now been granted the powers and lifespan of the High Fae, she is haunted by her time Under the Mountain and the terrible deeds she performed to save the lives of Tamlin and his people. As her marriage to Tamlin approaches, Feyre's hollowness and nightmares consume her. She finds herself split into two different people: one who upholds her bargain with Rhysand, High Lord of the feared Night Court, and one who lives out her life in the Spring Court with Tamlin. While Feyre navigates a dark web of politics, passion, and dazzling power, a greater evil looms. She might just be the key to stopping it, but only if she can harness her harrowing gifts, heal her fractured soul, and decide how she wishes to shape her future—and the future of a world in turmoil. Bestselling author Sarah J. Maas's masterful storytelling brings this second book in her dazzling, sexy, action-packed series to new heights.
