**Abject Spaces in American Cinema** Frances Pheasant-Kelly, 2013-05-21 American cinema abounds with films set in prisons, asylums, hospitals and other institutions. Rather than orderly places of recovery and rehabilitation, these institutional settings emerge as abject spaces of control and repression in which adult identity is threatened as a narrative impetus. Exploring the abject through issues as diverse as racism, mental illness or the preservation of bodies for organ donation, this book analyses a range of films including *One Flew Over the Cuckoo's Nest* (1975), *The Shawshank Redemption* (1994), *Full Metal Jacket* (1987) and *Girl, Interrupted* (1999) through to cult films such as *Carrie* (1976) and *Bubba Ho-tep* (2002). In these films, locations of coherence and order become places where the internal and repressed aspects of the body, individual and social, threaten to overwhelm the individual. Identity is compromised through harsh conditions, extreme discipline, the exertion of absolute control, and above all the restriction of personal space. Symbolically infantilised, forced to reassess aspects of the adult, the only escape is through violence; the eponymous Carrie escapes from her cupboard for a massacre, the women of *Girl, Interrupted* mutilate and annihilate themselves and Kubrick's Gomer Pyle shoots sadistic patriarch Sergeant Hartman in the 'head'. By analysing scenes of horror and disgust within the context of abject space, Frances Pheasant-Kelly reveals how threats to identity manifest in scenes of torture, horror and psychosexual repression and are resolved either through death or through traumatic re-entry into the outside world. Bringing together contemporary theoretical debates and critical disciplines, *Abject Spaces in American Cinema* offers a coherent and meaningful analysis of institutional films and shows that the chaos of the abject space cannot be resolved- only escaped. This readable and engaging tour of the abject in the institution of film will be immensely valuable to students of Film Studies, Critical Theory and Cultural Studies.

*Investing In Your Health... You'll Love The Returns* Will Shelton,2018 This book examines current diets to help you make decisions about your eating style as well as taking a look at sleep patterns in association with our overall health. Health and physical education warrant a bigger role in our children's overall health and well being. One of the chapters is entitled: Games People Play, which focuses on games you played growing up. Will Shelton is deeply concerned that some neighborhoods, including parks are too violent for youth to play in. He presents some innovative ideas that can help curtail violence in neighborhoods. "We need to bring back pride as a core value in some neighborhoods so youth have a vested interest in their respective neighborhoods, by creating jobs, safe parks and recreational centers, better teachers, principals, other school staff, school curriculum, mentorship programs, rites of passage programs, violence prevention programs, better training of police and dramatically stop how guns, drugs and other weapons enter neighborhoods." ~Will Shelton Will Shelton's book *Investing in Your Health... You'll Love the Return* is an insightful and innovative look at our personal health status and how we can improve it. It examines why we eat the foods we select. It answers the following questions and so much more: What can we specifically do to defeat the #1 Killer of Americans using empirical data? Is healthcare a right or privilege? What are the factors that are affecting our health? What cellular "Master Switch" can be turned on by eating the right kinds of foods to prevent diabetes, obesity, heart disease and other diseases? How do you unlock the subconscious mind to health, wealth and contentment? Why Financial Principles are a requirement for total health happiness? Why is generational health and wealth a vital legacy, in terms of passing the Torch of Health and Wealth to this generation of youth? How does the Glycemic Index help lower sugar intake? How can Stress Busters techniques and activities help with stress? You are a cornucopia of endless treasure. Now is the time to claim your treasure by *Investing In Your Health... *Rita Hayworth and Shawshank Redemption* Ernest Hemingway, Stephen King, 2020 There's a guy like me in every state and federal prison in America, I guess - I'm the guy who can get it for you. And new convict Andy Dufresne wants two things from fellow prisoner Red: a small rock-hammer for carving stones and a giant poster of Rita Hayworth. So begins this mesmerising tale of unjust imprisonment, deep friendship and offbeat escape.

Rita Hayworth and Shawshank Redemption Stephen King, 2020-09-29 #1 New York Times bestselling author Stephen King's beloved novella, *Rita Hayworth and Shawshank Redemption*—the basis for the Best Picture Academy Award-nominee *The Shawshank Redemption*—about an unjustly imprisoned convict who seeks a strangely satisfying revenge, is available as a standalone book. Suspenseful, mysterious, and heart-wrenching, Stephen King's extraordinary novella, populated by a cast of unforgettable characters, tells a powerful tale of crushing despair and liberating hope through the eyes of Ellis "Red" Redding. Red's a guy who can get you whatever you want here in Maine's corrupt and hard-edged Shawshank State Penitentiary (for a price, of course), but the one thing he doesn't count on is an unexpected friendship forged with fellow inmate Andy Dufresne—an inscrutable one-time banker perhaps falsely convicted of brutal, calculated murder who will go on to transform everyone's lives within these prison walls. Originally published in the 1982 collection *Different Seasons*, it was adapted into the 1994 film *The Shawshank Redemption* starring Tim Robbins and Morgan Freeman. Nominated for seven Academy Awards, including Best Picture, this modern classic has become one of the most beloved films of all time. A mesmerizing work of unjust imprisonment and strangely satisfying revenge, *Rita Hayworth and Shawshank Redemption* remains one of Stephen King's most beloved and iconic stories.
