

Tab More Than Words

John Ballou Newbrough

More Than Words Can Say Marv Goldberg, 1998-11-05 The story of the Ink Spots is a rags-to-riches story beloved in American mythology. The success of the Ink Spots inspired many others to attempt (some merely mimicking) their popular and musical success. They were, without question, the most influential black vocal group of the 1940s, and one of the earliest to sing sweet ballads, which they elevated to an art form (although an increasingly formulaic one). Goldberg gets behind the streamers and glitter of the Ink Spots and the publicity machines of record labels, and provides the story of the group's creation, its music, and its monumental impact on the course of American music. *More Than Words Can Say* uncovers the mythos and origins of the Ink Spots, from the dramatic stories of finding the band name, to the dozens of individuals who still claim to be original members of the group. Goldberg interviews some of the singers, musicians, and arrangers associated with the original Ink Spots who provide invaluable first-hand accounts of the group. The book discusses the musical environment of the Ink Spots, including the ASCAP/BMI War, gas rationing, War of the Record Speeds, vinyl shortages, and all the lawsuits. Additionally, Goldberg has searched tirelessly through Billboard magazine and theater reviews to get a sense of the Ink Spots' contemporary reception. Also included is a bibliography of sources and a complete alphabetical listing of Ink Spots recordings released on Decca or Victor labels. A fascinating story filled with excellently researched information and exciting anecdotes, Goldberg's text brings out the authentic story of the Ink Spots, from their origins in the early 1930s through the tumultuous recording world of 1940s and 1950s America.

More Than Words Jill Santopolo, 2020-02-04 From the New York Times bestselling author of *The Light We Lost* comes a tender and moving new novel about a woman at a crossroads after the death of her father, and caught between the love of two men. A smart, sexy, delicious novel.--People Nina has always known who she's supposed to be. But is that who she truly is? Nina Gregory has always been a good daughter. Raised by her father, owner of New York City's glamorous Gregory Hotels, Nina was taught that family, reputation, and legacy are what matter most. And Tim--her devoted boyfriend and best friend since childhood--feels the same. But when Nina's father dies, he leaves behind a secret that shocks Nina to her core. Soon, Nina begins to see the men in her life--her father, her boyfriend, and unexpectedly, her boss, Rafael--in a new light, finding herself caught between the world she loves, and a passion that could upend everything. *More Than Words* is a heartbreaking and romantic novel about grief, loss, love, and self-discovery, and how we choose which life we are meant to

live.
